ABOUT COLLEGE

OVERVIEW

Fr. Conceicao Rodrigues College of Engineering (CRCE) was established in 1984 as a part of Fr. Agnel Technical Complex at Bandra, Mumbai

VISION AND MISSION

"Moulding Engineers who can Build the Nation"

Fr. CRCE has been a center of Excellence in Engineering Education, moulding engineers with state-of-the art technologies, innovative skills and human values matching with the growing expectations of the corporates and the society and thus plays an effective role in nation building.

LOCATION

The college is located at Bandstand, Bandra in a picturesque environment surrounded by Arabian Sea

ABOUT IEEE

VISION STATEMENT

IEEE is essential to the global technical community and to technical professionals everywhere, and is universally recognised for the contributions of technology and of technical professionals in improving global conditions.

MISSION STATEMENT

IEEE's core purpose is to foster technological innovation and excellence for the benefit of humanity

At CRCE, IEEE helps mould Individuals, who by Education and Experience give Evidence of competence in this world.

ABOUT TECHNOMANIA `09

Technomania `09 is project competition organised by IEEE and WIE students' committee of Fr.CRCE. It aims to encourage undergraduate students to implement basic concepts of Engineering for realisation into working models.

INSTRUCTIONS TO CANDIDATES

1. Entry should be a model in working condition (Mere software simulation is not permitted).
2. Abstract of the project concept, in not more than 250 words, has to be sent along with the registration form.
3. Circuit diagram is necessary along with the abstract.
4. Maximum **four** students per entry will be permitted & each of them will have to register their names along with registration charges.
5. Short-listed entries will be intimated by phone/email.
6. Organising committee will provide basic equipments for the demonstration.
