Importance of Internship for Fresher's Career

1. As per Business Insider, Companies that are hiring are looking for Freshers who have done Internship and prepped with indsutry required skills through experiential learning approach with real-time projects.

2. Top IT Companies want to keenly hire Freshers having technical capabilities along with Industry Soft Skills and well-versed Corporate behavior.

3. As Per Nasscom and FutureSkills reports, 40% of employers are unable find the right resource to fullfill their job requirements. Only 35-40% of Freshers are job-ready are employable.

4. Gartner estimates that even by 2020, 30% of tech jobs would be unfulfilled owing to unavailability of right skilled resources.

5. Only few dedicated organizations makes students job-ready and connect them to recruiters for placements.

"We are the one-stop Ed-tech Platform with optimal solutions to all above Industry problems. We make Freshers Job-ready by imparting skill-based training & Internship."

FreshersLabs Internship Program

Join Now, Limited Enrollments!

Internship Program Objective:

FreshersLabs primary objective is to make fresh college graduates Job-ready by skilling them up with top trending technologies and Internship programs during the course of the academics itself. As part of this Internship program, you will learn the technology of your own choice and work on real-time projects and case studies.

Benefits of Internship:

Our Internship program is designed by industries top tech Subject Matter Experts, Placement Heads & Corporate Leaders.

➤ **Get Cherry-Picked**	If you do an Internship, there is a higher chance to get short-listed by top MNCs.
➤ **Internship Impact**	Being a fresher, doing only Project work as part of the curriculum will not help you fetch a job as Industries look for graduates with Internships.
➤ **Get Certified**	On completion of the Internship program students get Course Completion, Internship & Job-recommendation Certificates. Our Certificates are widely recognised by the Top MNC's.
➤ **Interview Crackers**	You will learn technology with real-time projects which will help you to crack Job interviews easily.
➤ **Early Industry Adoption**	Put your best foot forward and work without any fear in the Software Industry as you will be trained with Technical & Industrial soft skills through our Internship Program.
➤ **Placement Guarantee**	FreshersLabs provides 100% Placement Guarantee for students who have completed our Internship program & have achieved the minimum merit criteria.
