**Organisational Chart and processes :**

**Nature and Extent of involvement of Faculty and students in academic affairs/improvements**

Faculty nominees (fixed term) are members of College Development Committee (CDC) and Governing Council (GC). At the department level, faculty are members of Department Advisory Board (DAB) and Programme Assessment Committee (PAC). Thus, they are actively included in the decision making and implementation of academic policies and practices. Faculty meetings at the institute level and department level facilitate discussion on academic improvements, which are incorporated. Our faculty are members of Board of Studies, Syllabus framing panels and paper setters at the University level and contribute to setting high academic standards in line with the interests of students and expectations of industry.

There are 2 student members in the CDC, where academic matters are taken up. A dynamic student council and professional student chapters keep Principal and HODs informed of academic gaps, if any, and additional workshops and expert sessions are arranged to bridge the same. Alumni are active members of GC & DAB and give valuable inputs from academic and industry perspectives.

<b>Mechanism/ Norms and Procedure for democratic/ good Governance</b>	All stakeholders – management, staff, students, parents, alumni and employers are involved in the governance of the institute, through representation in administrative bodies and feedback mechanisms. Major decisions regarding governance of the college are executed after approval of the Executive Committee, College Development Committee and Governing Council.																														
<b>Student Feedback on Institutional Governance / Faculty performance</b>	<p>Student Feedback is taken in a well designed format at end of every Semester. The received feedback is given to the concerned faculty for analysis. Concerned faculty member is required to submit the analysis and corrective actions to be taken in future. The faculty performance proposed corrective actions are evaluated by Head of the Department and Principal.</p> <p>From the academic year 2011-12 odd semester, feed-back is being collected on-line. Approximately 90% students had given feedback in April 2017 for last semester.</p>																														
<b>Grievance Redressal mechanism for Faculty, staff and students</b>	<p>Faculty members and staff members at any level are free to meet and present their grievances to any higher authority - HOD, Principal, Chairman. Also, a grievance committee with senior faculty members on board is constituted to inquire into any grievance lodged by staff/student and report is submitted to the Principal. The Women Development Cell takes care of problems, if any, of women staff and students</p> <p>Redressal measures are taken by the Local Council which meet regularly and also, as and when the need arises. The decisions are generally fast and fair.</p> <table border="1" data-bbox="703 929 1497 1153"> <thead> <tr> <th colspan="3">Local Council (Management)</th> </tr> </thead> <tbody> <tr> <td>1</td> <td>Rev. Internal Continuous Evaluation System and place		
<p>Institute follows a continuous evaluation scheme. In the beginning of the semester, after subject allotment is done, each faculty decides the Course Outcomes of his/her course and formulates various assessment tools to achieve the outcomes. This is approved by the Programme Assessment Committee (PAC) of the department and conveyed to the students. The assessment tools range from Internal Assessment tests (two as per University guidelines), quizzes, Seminars/ Presentations, Case-studies, etc. Various innovative teaching - learning techniques are employed by faculty like flip classroom, Think-Pair-Share activity, etc some of which are also graded.</p> <p>Besides the regular End Semester theory exam, Orals/Vivas as well as Practical exams (for some subjects), the continuous evaluation system throughout the semester motivates students to be creative in their thinking as well tests other skills like organizational abilities, team work , soft skills , etc</p>		
Student's assessment of Faculty, System in place		
Yes. Mid-term feedback and End semester feedback systems are in place. In addition, students can post their grievances, if any, through website or physical drop box in the campus.
