## LMS -

Learning Management System (LMS)-**Moodle**, which helps the institute to manage effective teaching learning processes.

http://gyan.fragnel.edu.in:2222/moodle/

Moodle gives extended learning environment where teachers can present their learning resources and activities to students. In campus, all teachers are using moodle for taking quiz, uploading videos and notes, online assessment, student feedback about the course.

Different LMS resources like access to Youtube, Virtual Labs, Swayam, NPTEL videos, Google Docs, Google sheets, Active presenter are available in the institute for effective teaching learning process.

The institute has massive network of 609 computers with 64 Mbps Internet connectivity and Wi-Fi facility to fulfill the academic and research need.
