UBA
Report
Counselling Session at Arnalla Killa

27th June 2022

The UBA Team under the leadership of Dr. Sunil Yadav and Prof Pradeep Singh conducted a Counselling session creating awareness among the students against committing suicide

As , you know, Fr. CRCE , under the Unnat Bharat Abhiyaan (UBA) has been actively involved in the village and conducted a counselling session for clearing the doubts in the minds of the students for selecting a future career path. the program was organised on 24th of June 2022

The session was delivered by Dr. Joseph Rodrigues from Our College, who is the Counsellor for our College. He has personally Counsellor More than 500 Students for career Development. Delivered Career Counselling Session for 10th and 12th students all over Maharashtra and BMC Schools.

Dr. Joseph Conducted an interactive session with the students and delivered the lecture with the help of a video and interactive session with the students. The session was planned in consultation with the faculty of the zilla parishad school regarding the recent increased suicide rates among the students. the students were guided about the implications of the act on their family members and how one can keep themselves motivated in the case of difficulty. The students were also guided about the help they can provide to others who might be going through depression or tough times in order to lift their spirits and give a feeling of support

The session was success and the students thanked Dr. Joseph for the wonderful experience and enlightening session on the same

Book Distribution Drive

25th April 2022

On 23rd April, 2022 UBA Chapter of FRCRCE under the leadership of Dr. Deepak Bhauskar and team Mr. Nilesh Patil, Mr. Gudekar and Mr. Amit kumar Sonawane conducted a book donation drive for the school children of the respective grampanchayats.

The intent of the book donation drive was to build a good relation with the villagers to carry out the village survey according to the action plan of the UBA Scheme. The team upon arrival was greeted with a bouquet of flowers from the school children. The program commenced with Dr. Deepak Bhauskar addressing the school children, the faculty and the parents of the children with the aim of UBA program. This was followed with a few motivational words on how the students would cope up with their studies and aim for a better career plan. Then the books and other stationary was distributed with the students and the faculty was thanked for their cooperation and arranging the same.

Overall, the team helped to build a good relation and most important a strong point of contact with in the school which would be further utilised to plan, coordinate and conduct future activities in the village

NSS CRCE

REPORT ON ART OF LIVING

Place: Zoom meeting

Date: August 26th-28th, 2021

We are all aware of the tremendous advantages that Yoga brings in our day to day life. From Increased Flexibility and Weight Reduction to Improved Respiratory System and Heart Health, Yoga comes with a Full Package.

Keeping this in mind, NSS CRCE organized a Webinar on Yoga with Art of living.

It was 3 day workshop for yoga. In the Webinar, started off by doing few Stretches. After few minutes of Stretching, He went on with Meditation and guided all the students during it. She also spoke about the various advantages of doing Meditation daily, like Increase in Concentration and less Stress and Anxiety.

She shared an Inspirational and Motivating Story with all of us, about how he decided not to pursue Engineering and do something what he is really passionate about, which is nothing but Yoga!

After that, she exercised along with the students. She did various Pranayams, Asanas and Yoga for Back Pain and Better Posture.

NSS CRCE

REPORT ON WORLD PEACE DAY

Platform: Google Meet

Date: September 21st, 2021.

Topic: Radiate peace and liberate your soul.

- Documentary streamed through Youtube featuring BK Shivani (Spiritual speaker and Nari Shakti awardee)
- Lightning a candle followed by virtual pledge ceremony

On 21st September 2021, at 5:30 IST, members of NSS CRCE had organised a Documentary session along with pledge ceremony in order to make everyone understand importance of peace and why it should be our priority followed by lightning a candle which symbolises peace .The session began with a brief introduction about what is peace and why are we unable to experience peace in our life. This brief introduction was given by the Host. Post the introduction documentary was streamed to all the participants.

After the documentary everyone were told to switch on their cameras and light a candle. After Lightning the candle everyone were told to hold the candle and take a pledge . A six line pledge was recited by the host. Attendance for this event was granted to the volunteers switching on their cameras and their participation during candle lightning and pledge. The session ended with the vote of thanks by the Host. Pictures during the pledge as well as during documentary streaming were taken by the NSS Council, which were posted on their Instagram and Facebook handles.

NSS CRCE

REPORT ON CARDIAC SESSION

Platform: Google Meet

Date: September 26th , 2021.

On 26 September 2021 Nss Crce along with Nss -Tsec conducted an online workshop iCare on Cardiac Arrest Resuscitation by Holy Family Hospital ,Bandra .

The aim of this event was to make everyone aware about the medical condition known as sudden cardiac arrest which is the cause of almost 3% deaths in India irrespective of age and how lives of people can be saved by this condition by giving them immediate heart resuscitation until medical health arrives.

The event started with introductions to esteemed Doctors from Holy family hospital. They started with making everyone aware about how to recognize sudden cardiac arrest and then how to save the life of the person by doing CPR techniques . They also demonstrated how to do CPR on a plastic model. Then they introduced everyone to a life saving device called an AED (shock machine) which helps to save the lives of patients under sudden cardiac arrest

The entire session was very knowledgeable and important . All the volunteers understood the importance to know about life saving and extremely important skills of CPR. The session ended with Q/A round wherein volunteers asked their questions to the doctors

The event was concluded by thanking all the Doctors of Holy Family Hospital for conducting this session and also to Nss-Tsec for collaborating with us for this session and attendance of all the volunteers were marked.

NSS CRCE

REPORT ON DOG SAFETY

Platform: Google Meet

Date: October 4th , 2021

On the 4th of October, NSS CRCE in association with the Utkarsh organization had organized an informative session by Mr. Jatin Soni. Mr. Jatin through his Utkarsh Foundation has been working towards creating awareness about dog accidents that take place on roads due to low visibility during rains and foggy nights.

The session mainly focused on ways how these accidents could be avoided. One of these ways is using Radium Collars. These reflective collars help the drivers to notice these street dogs while driving in the dark. Mr. Jatin explained the volunteers how these collars were to be tied around the dogs and how these dogs could be approached in case the dogs are scared of us. He also explained what could be done if one comes across an injured dog or any animal for that matter.

This session greatly helped the dog lovers among the volunteers who wanted to help the stray dogs but were either afraid or confused as to how they could help. In accordance to Mr. Jatin's advice, NSS CRCE has also purchased a set of these radium collars which would be used in a subsequent event that will be conducted by the NSS CRCE team.

The session helped the volunteers learn a new skill of approaching stray dogs and also gave them insights about the treatment of injured animals. The session ended with the vote of thanks by the Host. Post session pictures were taken by the NSS Council, which were posted on their Instagram and Facebook handles.

NSS CRCE

REPORT ON MARINE POLLUTION

Platform: Google Meet

Date: October 13th – 14th , 2021

On 13 & 14th October 2021 NSS organised an online awareness session to enlighten all our volunteers on the very important issue of marine pollution.

This session was conducted in collaboration with United Way Mumbai who are an organisation who have been working relentlessly in cleanliness and waste management at shores Mumbai and saving lives of marine species and also have been creating awareness through their programs. We had Pooja and Tushar from United Way Mumbai to enlighten us on this topic.

The entire event was hosted by event coordinator Anshula Raina. The session begins with a Q/N session on how much our volunteers know about marine pollution and then went ahead with discussing different coral species in oceans, their living habitat etc, then explaining how dumped waste in oceans affect them, also enlightening us on how marine pollution not only affects all the marine species but also us humans in different ways. Further the session was progressed with a Q/N question where volunteers had to answer questions based on what they understood in this session, all the volunteers actively participated. This session helped all the volunteers to understand the alarming situation of marine pollution and how now they need to take a stand for this cause. The session was ended with a vote of thanks to United Way Mumbai for conducting this event and attendance of all the volunteers were marked.

NSS CRCE

REPORT ON OLD AGE HOME

Date: November 13th, 2021

“Winkles will only go where the smile have been”

It is necessary for all of us to respect elders and keep them in good manner with all the happiness required at the ageing time. They are like an encyclopedia of experience which gets on updating as the time passes, so, we can get to learn a lot from them if they are in good shape and mental health. So, as a responsible student it's our responsibility to help them in any kind, any manner, any place, or any thing we could.

NSS-CRCE organized a visit to old age home at Uttan, Bhayander on 13th of November 2021.

This visit was to create awareness among the volunteers of NSS-CRCE and students of FR. CRCE that we should show utmost respect to elders and help them in any way possible. After, arriving at the vrudhasharam, we all first had an introduction of ourself with the family who looked after all the people and then they had our introduction with the old age people over there. In the introduction, many elderly people shared their experience of how they got into the ashram and after that how the family looked after them. Then we had organized various fun activities which were decided, which includes Singing program, Antakshari, Musical chairs and dance at the end of the noon to finish the noon activities. Then we all had our lunch along with the elderly. After a heavy lunch, we all felt very drowsy, as expected, so, to overcome the sleep we played Bingo among the elderly, where there were gifts for the winners at every stage, so, none should be disappointed. This game continued for a long time and we couldn't figure how fast the time went while playing. Also, while leaving we NSS-CRCE gave donations in the form of daily required stuffs to the old age home and the volunteers also brought things to donate there.

Now at the departing time, it was time to say goodbye to all of them for the wonderful and experienced day we had with them. Not only there were tears in the eyes of elderly people but also in the eyes of the volunteers, this explains how a day long love, affection and bonding is worth an experience. In this way, we spent the whole day in the shelter of elderly gaining knowledge and life lessons from the most experienced people we could ever meet.

NSS CRCE

REPORT ON COVID-19 DOCUMENTARY

Platform: Google Meet

Date: November 18th , 2021

On 18th october 2021 Nss Crce organised a session to address this difficult time of covid 19 A documentary was presented to all the volunteers . The documentary discussed and showed how difficult and terrifying are covid 19 situations but still how young youth , NGO's and different organisations from different parts of the country came together and helped different people around them irrespective of caste , gender , religion etc. Their aim of this session was to motivate our volunteers not only take care of their families and themselves but also help people around them as much as they can

All the volunteers definitely realized how different people, Ngo' s, were devoted to help others selflessly and save their lives . This documentary definitely motivated them to help others and also take much care of themselves and their families

Session was concluded by taking attendance of all the volunteers

NSS CRCE

REPORT ON NATURE TRAIL

Date: December 11th , 2021

NSS CRCE with the help of Prof. Jagdish Vakale from TCSC had organised a Nature Trail in the Sanjay Gandhi National Park. This nature trail consisted of a walk through the orchid green houses, the artificial water hole made for leopards and other places where visitors aren't generally allowed.

Prof. Jagdish Vakale is currently working with the Thakur College of Science and Commerce, Kandivali as a Biology Professor. He has also worked with the Information Centre in the SGNP as an additional educational officer for seven years which make him the best person to educate a group of excited teenagers, that the NSS volunteers were. Prof. Vakale guided the volunteers through some of those precious areas of the SGNP that are otherwise out of reach of the visitors. The orchid greenhouses, the leopard waterhole are some beautifully maintained natural treasures that the volunteers could see. Along with these invaluable visuals that the volunteers saw, Prof. Vakale also spoke about the various species of flora and fauna that the company encountered enroute the trail. He also shed information about the leopard census held every summer and also encouraged the volunteers to be a part of this census in the coming future. This nature trail surely invoked a sense of curiosity about the wildlife and forests among the budding engineers who are otherwise unaware of this branch of the sciences. Prof. Vakale and his words of encouragement and guidance will surely prove to be of great value to the volunteers as well as NSS CRCE in their future endeavours.

NSS CRCE

REPORT ON SUSTAINABLE LIVING

Platform: Google Meet

Date: December 17th , 2021

NSS CRCE in association with OnlyPlanet.in had organised a webinar by Mrs. Sunita Rajesh and her team about sustainability and ways in which one could lead a sustainable life. OnlyPlanet.in is an organisation trying to create a system that would help the masses to calculate their carbon footprint and making them aware of the effects their daily actions have on the environment. Prior to the webinar, NSS CRCE has encouraged the volunteers to use this carbon footprint calculator created by OnlyPlanet.in. This helped the volunteers to realise the gravity of the hazard that humans are posing to the environment as well as the human race itself. NSS CRCE has also pledged to spread this carbon footprint calculator to a thousand users so that more and more awareness could be created.

This session by Mr. Kishore Kavadia and Mrs. Sunita Rajesh opened new doors for the volunteers to explore ways in which they could help the environment and the community. The volunteers went back with a new vision of responsibility towards Mother Earth. Mr. Kishore Kavadia and Mrs. Sunita Rajesh and their words of encouragement and guidance will surely prove to be of great value to the volunteers as well as NSS CRCE in their future endeavours.

NSS CRCE

REPORT ON ROAD SAFETY

Platform: Google Meet

Date: December 21st , 2021

On 21 December Nss organised an online awareness program on road safety. Road accidents have caused several deaths of people all over India. And most of these accidents involve two wheelers and mostly people belonging to the age group of 18 to 45 and manier times the reason for these accidents are lack proper training and knowledge of road safety rules . So Nss organised event to enlighten all the participants

Session was conducted in collaboration with United way mumbai .We had two trainers Rohit and Karan who are automobile engineers as well as certified trainers to conduct this event.

It was a very knowledgeable session they talked about various road signs and different road Safety rules that every driver should know.

The entire session was conducted by event coordinator Anshula Raina . The session ended with Q/N around wherein all volunteers asked their questions to the speaker.

And the session ended with a vote of thanks to our speakers and all the volunteers present in the session and attendance of all volunteers were marked.

NSS CRCE

REPORT ON SAY NO TO DRUGS

Platform: Google Meet

Date: January 7th, 2022

On 7th January 2022, NSS CRCE organised a session to educate the volunteers about the negative effects of drug use. The documentary addressed many important issues related to drug users in India, that is how easily accessible it is for common people to get narcotic drugs in local chemist shops and how it leads people already in poverty and depression to further worsen their condition. The documentary also discussed the fact about why people are unable to get rid of their addiction and what leads people to consume such drugs. The situation of describing the situation of drug users in India ends with the portrayal of a drug rehabilitation centre which allows people to slowly get rid of their addiction and also portrays how difficult it is for a drug addict to go completely drug free.

The documentary further discusses the condition of drug users in Uruguay which is known as 'The Cannabis Country' where cannabis trade is legal and drug use is popular. The documentary lastly points out the situation of drug users in Tanzania, South Africa living in poverty. It helped us to understand the life of an heroin addict who has been living in poverty since childhood and in and out of treatment for drug abuse. In Tanzania, heroin addiction is a big problem as it is imported from the USA at cheap rates and is readily available to common people at low prices.

All volunteers understood the struggle that goes through an addict's life to get rid of drug addiction. The session ended with an online pledge that was introduced by the government named 'SAY YES TO LIFE, NO TO DRUGS' in which all the volunteers filled their information and took the pledge to fight against drug abuse. The pledge says,

We realise that drug abuse is increasing in our country, especially among the youth and this is a matter of concern. We pledge that we will cooperate in stopping the drug abuse. We promise that we will not consume any harmful or illegal drugs in any way for any purpose.

We will create awareness about the ill effects of drug abuse by encouraging every person, especially the youth so that the youth of India can live drug free and they can become creative and important members of the society.

Today we pledge that we will stay away from drugs and live a healthy life.

NSS CRCE

REPORT ON IMPORTANCE OF MANGROVES

Platform: Google Meet

Date: January 19th, 2022

On 19th January we began the meet with Introduction about Ms. Rucha Kulkarni. This session began with Ms. Kulkarni giving brief information about the mangrove forest and the place they are located. Then she explained about the importance of mangroves and the special features about them such as their aerial roots, can tolerate salty water, they keep us safe from the tsunamis. Later in the session we discussed about how mangroves are in danger due to various reasons such as deforestation, water pollution etc and how they help us in many ways as climate regulation, fisheries, coastal protection, tourism etc. There was a question and answer round at the end of the session about the places where mangroves

NSS CRCE

REPORT ON SAY NO TO SMOG

Platform: Google Meet

Date: February 3rd , 2022

National Service scheme unit of Fr. CRCE has organized a webinar on “Say No To Smog” on

Air pollution has been recognized as the world’s largest single environmental health risk. The Global Burden of Disease 2010 (GBD) ranked air pollution as a leading cause of death and disability in India.

Smog, or **smoke fog**, is a type of intense air pollution. The word "smog" was coined in the early 20th century, and is a portmanteau of the words smoke and fog^[1] to refer to smoky fog due to its opacity, and odor.^[2] The word was then intended to refer to what was sometimes known as pea soup fog, a familiar and serious problem in London from the 19th century to the mid-20th century. This kind of visible air pollution is composed of nitrogen oxides, sulfur oxide, ozone, smoke and other particulates. Man-made smog is derived from coal combustion emissions, vehicular emissions, industrial emissions, forest and agricultural fires and photochemical reactions of these emissions.

Glimpses of the activity are as follows:

NSS CRCE

REPORT ON TREE PLANTATION IN COLLEGE

Date: February 15th , 2022

February 15th 2022, Mumbai

The NSS unit of the institute had organized Tree Plantation at Fr. Conceicao Rodrigues College of Engineering. The Council members of NSS first of all took all the saplings to the college. All volunteers and council members were assigned the task to plant flowering and non flowering plants in a pot and some other basic gardening work.

In all 30 trees, were planted on the occasion, in which 15 are flowering plants and 15 were of non-flowering plants.

All the members took active participation. It was indeed a great experience.

Glimpses of the activity are as follows:

NSS CRCE

REPORT ON BLOOD DONATION CAMP

Platform: Google Meet

Date: January 19th, 2022

Donating a part of ourselves for the betterment of the society is our motto, NSS CRCE along with the staff of renowned Holy Family Hospital were successful in organizing a Blood Donation Campaign on 17th February, 2022. The Drive received an overwhelming response from the students as well as the staff of our college. Various posters and promotion were done of blood donation, in college premises canteen and in staff room.

The event commenced by 10:am in the morning and went upto 4:00 in the evening. Donors of all blood groups donated their blood. Each donor was given snacks post donation. Certificates were provided to all the donors by the hospital. Donors with rare blood group were given a special gift. Enough amount of blood was collected and the hospital staff as well as the donors went home with happy faces.

Permission for Blood Donation Camp

Respected Sir,

I, Mohit Pansare, am writing to you to invite you for the blood donation drive that our college has planned to conduct on the 11th of August, 2022, Thursday in collaboration with your hospital. We here at NSS CRCE will be willing to provide your team with all the assistance that will be required for this blood donation drive.

We all know the value of a life. So we hope that our efforts may provide some people a fresh lease on life and give them renewed hope in the face of adversity.

I look forward to seeing you at this event.

Thank you in advance.

Yours Sincerely,
Mohit Pansare
President, NSS CRCE.

Dear Sir,

As per your mail, regarding the organisation of blood donation drive on 11th of August, 2022 at FR. CRCE, Bandra (W). We are pleased to inform you that we confirm the above mentioned date for blood collection drive and thank you for your co-operation to help cancer patients.

Kindly arrange chairs for donors, 7-8 tables and 20-25 chairs or pedestal fans (5-6) and electric connections (6-7), proper light and water arrangements for the donors who will be coming for the blood donation drive. Also, make arrangement for our vehicle parking, Bus No. MH - 01 CR 8520 or MH - 46 BB 3980.

Our van will reach the venue at 09.00 a.m. and will attend to the donors from 9.30 am to 3.00 p.m. Registration of donors will close at 2.30 p.m. In between we will be sending vehicle to TMH for processing the blood bags.

Always looking for favourable response in future.

Thanking you,

Yours sincerely,

Tejal Wete

REPORT ON SOCIAL ACTIVISM

Platform: Google Meet

Date: February 27th , 2022

Initiative towards betterment! by social activist Sanjoli Banerjee.

Sanjoli Banerjee, 22, is a full-time social activist, a graduate in International Security Studies from the Australian National University (ANU) Canberra and recipient of various awards.

The seminar will help us raise the spirit of activism 🗣️ and question the ill functioning of our government bodies.

Join in for gaining knowledge from an expert in the field and take a step towards being an activist

FR. CONCEICAO RODRIGUES COLLEGE OF ENGINEERING

NATIONAL SERVICE SCHEME
presents a seminar on Social Activism

Initiative towards betterment!
by
Sanjoli Banerjee

Let's hear about how small changes in the society can lead to development and building a NGO on own terms in an young age.

NSS CRCE

REPORT ON TREE PLANTATION AT ST. JOSEPH

Date: March 12th , 2022

Fr. CRCE launched an extensive plantation programme in St. Joseph on March 12, 2022. As a part of national service scheme our institute binds to contribute to the activities which are beneficial to the improvement of the society. The students and teachers from our college planted saplings in empty places in well organized manner. The tree plantation programme started at 10am. In order to restore the eco-balance of the afforestation this drive was taken with all seriousness. Trees play an important role in reducing the air pollution and to maintain the good quality air level in environment. So every individual should plant as many trees as possible . Because day by day pollution level in environment is getting worse. Hence, plantation is the only solution. As the surrounding of St . Joseph high school is crowded by vehicles so it may lead to increase the pollution level in that area. As it is also surrounding by educational institute ,tree plantation will help to maintain the good air .

This tree plantation programme was done in collaboration with turning tide George Sir who helped us a lot. All necessary support was provided to students and thus the programme was successfully completed. Participants were highly excited and enthusiastic to make it a big success. Students understood the importance of plantation and types of trees beneficial for environment

NSS SPECIAL CAMP TANDULWADI

INTRODUCTION

Every year a special NSS camp of 7 days takes place where all the volunteer of NSS CRCE actively take part in understanding the village problems solving them and spreading awareness and educating people. This year the camp took place at beautiful and enchanting village called tandulwadi which is located few kilometre away from saphale city which lies in palghar district, Maharashtra. The village is surrounded by mountains and farms with greenery everywhere being there is like a gift for the eyes. The village is full of friendly and helpful people who helped us through out the camp. There were lot of pre- camp activities to be done for all the activities we were going to do at the camp and our main project which was painting the school walls; hence, all the members were divided into groups and given tasks accordingly.

Image: Tandulwadi village, Saphale

Day 1 (4/3/22): Drawing competition and Sports day

The first day of the camp started with the volunteers meeting the Tandulwadi Zilla Parishad school students. On the first day, NSS CRCE had organised a drawing competition wherein the students were asked to depict their idea of a pollution free environment. The students were provided with the drawing material by NSS CRCE. Later that day after interacting with the students and the school officials, NSS CRCE organised a small sports day event where along with the school students, the NSS CRCE volunteers, too, participated. All students and volunteers participated with great enthusiasm in all the games that took place.

Day 2 (5/3/22): Painting of school fences and sitting area

The next day, NSS CRCE embarked upon the first social service activity that had been planned: beautifying and painting the Tandulwadi School fences and the sitting area near the school. The volunteers created various Warli art forms on these benches and fences. This painting job was an addition to the painting work that the previous batches of NSS CRCE volunteers had started in the school.

Day 3 (6/3/22): Village survey

On 6th of March, Sunday, We started our day with YOGA where we performed various Yoga aasan like surya namaskar , Padmasan Aloom viloom etc.. NSS CRCE with the permission of the Gramsevika, started with the village survey that had been assigned. This survey collected information about the annual income, living facilities and other details about the villagers of the Tandulwadi village. This data that was collected helped the volunteers to gain a deeper insight into the life of the villagers. This survey also gave the volunteers an opportunity to have an one to one interaction with the villagers that the volunteers visited. This newly gained insight will greatly help in shaping the personalities of the volunteers

Day 4 (7/3/22): Creating the school library

On this day, NSS CRCE setup a library for the school with more than 200 books which was a necessity as stated by the principal. Lights in the classrooms and the library were also taken care of. The swing in the school were repaired along with the see-saw for kids to play with. Maintenance of the computers that were previously donated by NSS CRCE was also done. A small workshop was also conducted to teach the students how they could use the computers more carefully and responsibly

Day 5 (8/3/22): Women's Day and Cultural Day Celebration –

We organized a women's day and cultural day function for the women and children of the village with fun games and dances.

Day 6 (9/3/22): Trekking and Cleanliness Drive on Tandulwadi Fort

As a recreational and volunteering activity, NSS CRCE organised a trek to the Tandulwadi fort and cleanliness drive on the way to the fort. This greatly helped in increasing the beauty of the path leading to the top of the fort. Having to clean the garbage themselves, the volunteers realised the importance of maintaining the hygiene of places of natural and historical importance.

Day 7 (10/3/22) Workshop on menstrual hygiene

Menstrual hygiene is a matter of grave concern to us all and keeping that in mind, NSS CRCE organised a session on the importance of menstrual hygiene and how menstrual hygiene could be maintained. This helped the school girls and everyone present there to gather information about this so important aspect of life.

The image features a large, faint watermark of the National Service Scheme (NSS) logo in the background. The logo is circular and contains the text 'राष्ट्रीय सेवा योजना' (Rashtriya Seva Yojana) in Hindi at the top and 'NATIONAL SERVICE SCHEME' in English at the bottom. In the center of the logo is a wheel with eight spokes, symbolizing the NSS emblem.

Thank you
For giving this opportunity
to have a wonderful journey with NSS
and collecting a bag full of memories.
Each report has a story to tell and memories to smile.

The Beach Clean-up

Waste has been a major factor affecting the nature surrounding us, the water bodies have majorly been a victim to the menace created by us, the people. Cleaning the aspects one after another would provide a beginning to a change, an action to the words of the wise and a nurturing and secure future for the generations to come ahead. So we the Rotaract Club of CRCE decided to implement a Beach Cleanup drive.

The Beach Clean-up was conducted in collaboration with 'Change is us', on 24th October on the coasts of Girgaum Chowpatty. The volunteers started gathering near café ideal around 7:00 am. There were over 150 volunteers who participated for the cleanup drive. The event was carried out keeping all the covid-19 protocols and safety of the volunteers into consideration. A total of 100 minutes of cleanup was conducted by our volunteers. Time to time images were clicked during the entire event. After winding-up the clean up, snacks were distributed to all the volunteers. The event was concluded with a vote of thanks given by Shubh Mehta (Co-founder of Change is Us) and our President Rtr. Sifra Maria Biju.

The results of the cleanup were evident and were appreciated even by the visitors. Around 200-300 kg of waste was removed from the Girgaum coastal stretch. Our Beach cleanup project was like ripples in a pond. It aided in beach restoration and also prevent debris from flowing back into the sea. The most direct impact we had was, removing plastic from the beach so it can no longer harm Marine Life.

REPORT: BUSINESS MODEL CANVAS
DATE: 29/03/2022

Report:

E-cell conducted the third phase of the Idea Competition called “Business Model Canvas” in collaboration with IIC-FrCRCE on 29th March 2022. The session gave students a platform to present their innovative ideas and proposed solutions giving them a spirit to start their entrepreneurial journey. This session focused on the business plan aspect of the ideas.

Name of the event: **“Business Model Canvas”**

Date of the event: **29th March 2022**

Sponsoring organisation: **E-cell and Institute Innovation Council (IIC)**

Total number of teams: **5**

5 teams had the opportunity to present their business plans in front of the expert panel of judges who judged them on the basis of financial feasibility, technologies used, market survey, etc. After a brief introduction to judges, a gist of the flow of the event was given to everyone for ensuring the smooth flow of the event. Each team was then asked to give their business plan presentation based on their topics for about 10-15 mins after which a Q & A session followed during which the judges asked the teams a variety of questions to test their idea, the business model and real life applicability of the used idea.

The panel of judges for this competition were as follows:

1. **Mr. Shikhar Sachdev**, Director, Dhaniram Group of Industries
2. **Prof. Sunil Das**, Associate Professor, Dept. of Production Engineering, FrCRCE

FR. CONCEICAO RODRIGUES COLLEGE OF ENGINEERING
Fr. Agnel Ashram, Bandstand, Bandra (W), Mumbai - 400 050

The Q&A session was perhaps the best part as the students got to learn ample of things from the insightful inputs from the judges who are the experts in their field. Students with their curiosity flowing also took full advantage of this opportunity and it's certain that they learned a great deal that day from everyone. Overall the event was a big success with the judges being impressed by students' work and students learning from the judges.

REPORT: DEMO DAY

DATE: 23/04/2022

Report:

E-Cell conducted the final phase of the Idea Competition called “Demo Day” in collaboration with IIC-FrCRCE on 23rd April 2022. Demo Day gave students a platform to present their innovative ideas and proposed solutions giving them a spirit to start their entrepreneurial journey.

Name of the event: **“Demo Day”**

Date of the event: **23rd April 2022**

Sponsoring organisation: **E-Cell and Institute Innovation Council (IIC)**

Total number of teams: **5**

Objective:

Idea Competition was started with the intention of giving the bright young entrepreneurial minds of the country to pursue their entrepreneurial endeavours by competing at the highest level possible with and also against other peers of the same calibre. This not only gave them the platform to enhance their skills but also an opportunity to make it big as an entrepreneur. Demo Day is the 3rd phase of this same competition where the top few teams who made it past the previous phases compete. With this the students of this institution get a chance to take their start-up ideas and present in front of some of the most experienced people from the industry.

Thus, the final 5 teams who made it to the last phase of the Idea Competition had the opportunity to present their business ideas in front of the expert panel of judges who judged them on the basis of financial feasibility, technologies used, market survey, etc. After a brief introduction to judges, a gist of the flow of the event was given to everyone for ensuring the smooth flow of the event. Each team was then asked to give their presentation based on their topics for about 10-15 mins. The Q&A and comments from the judges were reserved for after all the presentations by the teams. And as soon as the presentations were done, the Q&A session followed during which the judges asked the teams a variety of questions to test their idea, the business model and real life applicability of the used idea.

FR. CONCEICAO RODRIGUES COLLEGE OF ENGINEERING
Fr. Agnel Ashram, Bandstand, Bandra (W), Mumbai - 400 050

The 5 teams who made it this far were nothing short of a bunch of enthusiastic, driven and talented individuals. The 5 teams were:

1. **Team AsthaGraha** - To create free games which help in learning concepts.
2. **Team Pet Care** - To build a website on rescuing stray/wounded animals using GPS with the help of NGOs.
3. **Team Coconut Harvester** - Creating a robot which will be attached to the coconut tree and can handle the dangerous part of harvesting.
4. **Team B Byte Pharmacare** - PharmaCare is an application which can make the medical history/data of the patients accessible from anywhere at any time.
5. **Clear It** - A platform to connect the knowledge seeker with a domain expert through live one on one video meets where they can clarify their doubts, get guidance, get their issues resolved and much more in various technical areas like projects, programming language concepts, etc

The panel of judges for this competition were as follows:

1. **Mr. Abhijit Deshpande**, Financial Risk Manager, JP Morgan
2. **Mr. Mihir Baxi**, Head Marketing, Spectra at Wockhardt LTD
3. **Ms. Aishwarya Tawade**, Software Developer, Tata Consultancy Services
4. **Ms. Shalini Vaishnav**, Import Executive, Yog Global Enterprise

Outcome of the event:

The Q&A session was perhaps the best part as the students got to learn ample of things from the insightful inputs from the judges who are the experts in their field. Students with their curiosity flowing also took full advantage of this opportunity and it's certain that they learned a great deal that day from everyone. Overall the event was a big success with the judges being impressed by students' work and students learning from the judges.

REPORT: PITCHING EVENT FOR PoCs DEVELOPED & LINKAGE WITH INNOVATION AMBASSADORS FOR MENTORSHIP SUPPORT

Name of the event: **“Pitching Event for PoCs developed & linkage with Innovation Ambassadors for mentorship support.”**

Platform of the event: **Google Meet Recordings**

Sponsoring organisation: **Entrepreneurship Cell (E-cell)**

Number of teams participated: **10**

E-cell is conducting the Proof of Concept (PoC) event which provides a platform for students to present their innovative ideas and proposed solutions giving them a spirit to start their entrepreneurial journey. Registrations for this were open till October 10th 2021.

The basic definition of Proof of Concept would be the evidence obtained from the original project, which is executed to demonstrate a project idea/business plan/project plan is feasible. PoC is an important part of the project developmental process in many industries and fields as it also verifies that concepts and theories applied to a project will result in a successful final project.

Keeping all that in mind the event was organised to give students a much needed experience in their entrepreneurial journey. A team of 3 to 5 members in front of a panel of judges presented their ideas followed by a Q&A session. We received a total of 10 PoCs this year and the event was conducted online wherein 10 teams participated and Prof. Prajakta Bhangale, Prof. Kranti Wagle and Prof. Swati Ringe served on the panel of judges.

All the teams came up with innovative ideas and the team with maximum points will be declared as the winner of the event. The themes for this year were - Healthcare & Biomedical devices, Agriculture & Rural Development, Smart Vehicles/ Electric Vehicle/Electric vehicle motor and battery technology, Food Processing, Robotics and Drones, Waste Management, Clean & Potable Water, Renewable and affordable Energy, IoT based technology (e.g. Security & Surveillance systems etc), ICT, cyber physical systems, Blockchain, Cognitive computing, Cloud Computing, AI & ML and other emerging areas of innovation and startup opportunity.

Problem Statement :

► The project mainly aims towards the security and prevention of any undesired manipulation of sensitive data related to real estate property. This is achieved by putting such data on blockchain to stop its manipulation, because it is almost impossible to change the blockchain. This can be established as a proof of concept for distributed ledger systems and by developing a blockchain based application with 'Record of Property' as a use-case.

ABSTRACT

Electronic waste or e-waste is any broken or unwanted electrical or Electronic appliance. E-waste includes computers, entertainment electronics, phones and other items that have been discarded by their original users. E-waste is the inevitable by-product of a technological revolution. Driven primarily by faster, smaller and cheaper microchip technology, society is experiencing an evolution in the capability of electronic appliances and personal electronics.

Online E-waste Management System is used for the collection of the electronic waste material from the customer. The customer can define the details about which type of waste they have. The customer can get the money by giving the waste material. Online E-waste management System is for depositories and recycling it in the company. It is an online portal which acts as a connecting platform between sellers and buyers of E-Waste.

NSS REPORT 2020-2021

**“The happiest people I know, are those who lose themselves in the service of others.”
-Anne Frank**

NSS has always stood up to its strong spirit of serving the society., keeping in mind the motto **“Not Me But You”**. Thus, the belief that we must strive for others is being realized through the selfless services of our unit who get into timely action, be it lending a helping hand to the needy or protecting and conserving the environment. We extend our gratitude to our Director **Fr. Valerian Dsouza** our Principal **Dr. Srija Unnikrishnan** our Program Officers **Prof. Pradeep Singh, Prof. Dipali Bhise** and **Prof. Sunil Yadav** for their encouraging bit of advice which proved beneficial to our volunteers through thick and thin of each event.

The year commenced with the registration of 100 active volunteers across SE, TE and BE. Students and faculty participated enthusiastically in webinars and workshops even in this **COVID-19** situation. We began with a Yoga Webinar followed by Personal Sustainability, Carbon Footprint Webinar by NGO ‘United Way’. Next was the Self-defense workshop by Kashyap Bhanushali. Next webinars were on Global Freedom Summit and Awareness on Anti Human Trafficking by an organization ‘The Movement India’. We have organized a poster competition on topic ‘Carbon Footprint’ named Recycle Fest. We have also organized a webinar on Mental health and welfare, Street Dogs Awareness, Reforms in India’s Education System and Climate Change.

We have organized a workshop on Personal Sustainability consisted of 3 levels in association with an NGO ‘The Movement India’. A webinar on Road Safety Awareness and welfare by Mr.Rohit Dalvi in association with NGO ‘United Way’. A poster making competition was held by us on topics ‘What Freedom Means to You’ and ‘Road Safety’ in association with ‘United Way’. An amazing workshop on Mandala Art was organized by NSS CRCE. We have also organized a webinar on World wetlands day in association with NGO ‘United Way’. A webinar on Right to Information was held by NSS CRCE in association with ‘Public Concern for Governance Trust (PCGT)’.

NSS CRCE has organized a survey on Mumbai Health Budget 2021-2022 in association with Civis Foundation. A webinar was held on Vegan outreach and Virtual Tour by Kuntal A. Joisher. We have also organized a campaign where our NSS volunteer has feed stray animals and share their picture with us, this campaign was held in association with Paw-tectors. A webinar on "Celebration of 75 years of India's Independence "" Azadi ka Amrut Mahotsav ". We have also organized a webinar on Importance on Women empowerment with Katalyst. A webinar on Child Labor, Bullying and Sustainability was held by NSS CRCE. On commencement of the Even Semester, An amazing webinar was held by NSS CRCE on ‘An Evening with a Cop’ by BSF Officer- Assistant Commandant Pushkar Chejara.

Currently we have a number of events and programs lined up for the coming days. As a team we always prioritize ‘YOU’ before ‘ME’ spreading cheer and smile around. We sincerely thank our Principal , our Director and ‘YOU’ for appreciation the work we do.

Happy Serving!!

**Gaurav Sable
(President NSS-CRCE)**

NSS CRCE

REPORT ON YOGA WEBINAR BY KHUSH PANCHAL

Place: Online Webinar (Google meet)

Date: 10th September, 2020.

No. of Volunteers attended:66

We are all aware of the tremendous advantages that Yoga brings in our day to day life. From Increased Flexibility and Weight Reduction to Improved Respiratory System and Heart Health, Yoga comes with a Full Package.

Keeping this in mind, NSS CRCE organized a Webinar on Yoga with Dr. Kush Panchal. Dr. Kush Panchal is a Yoga and Fitness Trainer and has been the Personal Trainer of Celebrities like Kangana Ranaut, Emma Watson and Shahid Kapoor.

In the Webinar, Dr. Kush started off by doing few Stretches. After few minutes of Stretching, He went on with Meditation and guided all the students during it. He also spoke about the various advantages of doing Meditation daily, like Increase in Concentration and less Stress and Anxiety.

To make the session more engaging and fun, He also did Bhangra along with few students.

Dr. Kush shared his Inspirational and Motivating Story with all of us, about how he decided not to pursue Engineering and do something what he is really passionate about, which is nothing but Yoga!

After that, he exercised along with the students. He did various Pranayams, Asanas and Yoga for Back Pain and Better Posture.

The event ended with a very active Q & A Session with various questions related to weight loss, working out and a proper diet.

REPORT ON PERSONAL SUSTAINABILITY WEBINAR

Platform: Google Meet

Date: September 26th, 2020

Speaker: Mr. George Remedios

No. of Volunteers attended:68

An interesting webinar on Personal Sustainability to educate young minds on how they can help in creating a better tomorrow was organised by NSS CRCE on September 26th. It was the first time that an event like this had to be conducted online due to the prevailing circumstances. Hosting a neat, well planned session was a challenge and the ultimate hard-work of our council members paid off. The volunteers too, were a disciplined audience and had a healthy role in making this webinar a success.

The session began with a brief introduction of the keynote speaker Mr. George Remedios, voiced by event coordinator NSS Dilton D'souza. Mr. George then moved ahead with the session with brilliant ideas one after another on how we should implement green culture in our everyday life.

The key points included were:

- Consumption of local produce
- Usage of Bio - enzymes
- Usage of wooden counterpart
- Use of Eco - Bricks

The webinar ended with a QnA session, and the attendance of the volunteers was recorded.

The key take-away from the session is that, how we, as individuals and community as a whole, can reduce our Carbon footprint for a better tomorrow.

NSS CRCE

REPORT ON CARBON FOOTPRINT WEBINAR

Date: 27th September, 2020.

Place: Online Workshop

No. of Volunteers attended:65

Carbon Emissions have increased at an alarming level! One of the major reasons of Global Warming are Carbon Emissions. In fact, they account for more than 76% of the Greenhouse gases. They impact our planet and the climate change significantly.

Thus, it becomes really important for us to be aware of all the necessary information, so that we can make a change! Keeping that in mind, we at **NSS CRCE**, organized an Online Workshop on Carbon Footprint with Only Planet.

One of the members of Only Planet, Sunita Rajesh, provided us with all the information on Carbon Emissions, Carbon Footprint, and about the alternatives which we can make everyday to lower our Carbon Footprint. For Example – Using Reusable Masks and Gloves rather than the Disposable ones.

She spoke about the different greenhouse gases, about the extensive use of plastic and how drastically it has affected our planet. She went on with the major contributors of Carbon Emissions, which is Transportation, Electricity and Industry.

To make our members understand better about Carbon Footprint, she demonstrated on how to use the Carbon Footprint Calculator. This calculator approximately measures your carbon footprint which you have been contributing to the planet, knowingly or unknowingly. Many Students volunteered and calculated their footprint along with Sunita Ma'am.

This was followed by a very active Q & A session, which included questions like, What should be an Ideal Carbon Footprint, How does eating non - veg promote more Carbon Footprint and many more.

NSS CRCE

REPORT ON COASTAL CLEANUP DAY WEBINARS

Platform: YouTube Live

Date: 16th September to 19th September 2020

No. of Volunteers attended:66

On the occasion of International Coastal clean-up day 2020, National Service Scheme Unit of Fr. Conceicao Rodrigues college of Engineering with United Way Mumbai has organized a week long webinar series by experts in collaboration with the National Centre for Coastal Research, Ministry of Earth Sciences Gov. of India. This Week long event will be focused on topics related to marine pollution ranging from micro plastics, marine litter and various research projects on marine conservation.

Medium used was YouTube Live where the doubts of all the members were solved on the live chat and the entire week long sessions were very informative and gave a better understanding of the waste in the oceans and how they drastically affect the marine life and the entire ecosystem. It amplifies the task we need to carry out to maintain our system and our responsibility and how to deal with these hazardous human waste.

We were given a detailed explanation on how the pollutants in form of marine micro plastics are created at the first place and how this has become a serious threat and how to keep track. The experts in the particular field had experience in this field which made it really interesting and interactive.

An initiative of Under the aegis of In collaboration with

INTERNATIONAL COASTAL CLEANUP DAY

Join us for a week-long series of webinars in collaboration with National Centre for Coastal Research, Ministry of Earth Sciences, Govt. of India

THEME: MARINE POLLUTION & CONSERVATION RESEARCH TO PROTECT OUR OCEANS

16th September to 19th September, 2020.
Time: 3:00 PM IST on Youtube

Registration link: <https://forms.gle/sS6tYjUfsQmrkeay9>
YouTube live link: <https://www.youtube.com/c/uwmumbai>

Each participant will receive an e-certificate of participation for the event

DATE	GUEST SPEAKER
16 SEP, 2020	DR MARHA SAHA, SENIOR SCIENTIST OOD, NATIONAL INSTITUTE OF OCEANOGRAPHY (NIO-CSIR) TOPIC: MICROPLASTICS: AN EMERGING THREAT TO MARINE ENVIRONMENT & BIODIVERSITY
17 SEP, 2020	PROF. E V RAMASAMAY ENVIRONMENTAL & ATMOSPHERIC SCIENCES, KERALA, INDIA. TOPIC: MICROPLASTICS IN ARCTIC ENVIRONMENT
18 SEP, 2020	MR. PETER KOHLER SENIOR MARINE LITTER SCIENTIST & DR DANJIA HOEHN, SCIENTIST AT CENTRE FOR ENVIRONMENT FISHERIES AND AQUACULTURE SCIENCE (CEFAS), UK

WEBINAR SERIES DAY 1: SEPTEMBER 16, 2020

Time: 3:00 PM IST on YouTube

DR MAHUA SAHA, SENIOR SCIENTIST COD, NATIONAL INSTITUTE OF OCEANOGRAPHY (NIO-CSIR)

TOPIC: MICRO-PLASTICS: AN EMERGING THREAT TO MARINE ENVIRONMENT & BIODIVERSITY

YouTube live link: <https://www.youtube.com/c/uwmumbai>

MICROPLASTICS IN BIOTA

Environmental impact of microplastics: a major concern to seafood

Sat River, Goa

Mugil, Ailus

Oysters, Clams, Green mussels

- Number of shellfishes: 4 species (n=12)
- Number of shellfishes: 3 species (Oysters, clams and green mussels N=40)

CHALLENGES AND KNOWLEDGE GAP :FUTURE PLAN

- Most of the report on MPs are either marine , coastal or fresh water aquatic system, we need to know the same for terrestrial aquatic systems like river inputs.
- Plastic contaminant study need to be expanded more towards open Ocean.
- Toxicological evaluation of MPs for quantification of POPs and plasticizers carried by MPs need to be done more profoundly, need GC-ECD.
- There is a high need to do conduct more study to evaluate toxicity of MPs and its associated contaminants in different life forms so that possible toxic effects (e.g. enzymatic disorder) on human and other higher life forms could be minimized.
- Improve mitigation

Day 2: 17th September 2020

Topic: Micro plastics in Arctic Environment

Guest lecturer: Prof. E.V. Ramasamy Environmental & Atmospheric science, Kerala, India.

An initiative of United Way

Great Pacific garbage patch

✓The Great Pacific garbage patch, also described as the Pacific trash vortex, is a gyre of marine debris particles in the central North Pacific Ocean.

✓The patch is characterized by exceptionally high relative concentrations of pelagic plastics, chemical sludge and other debris trapped by the currents of the North Pacific Gyre.

The area of increased plastic particles is located within the North Pacific Gyre, one of the five major oceanic gyres.

NSS CRCE

REPORT ON SELF DEFENCE WORKSHOP

Platform: Google Meet

Date: October 7th, 2020

No. of Volunteers attended:59

An interesting webinar on self defence to educate young minds especially for girls was organised by NSS CRCE on October 7th. It was the first time that a practical event like this had to be conducted online due to the prevailing circumstances. Hosting a neat, well planned session was a challenge and the ultimate hard-work of our council members paid off. The volunteers too, were a disciplined audience and had a healthy role in making this webinar a success.

The session began with a brief introduction of the speaker Sensei Kashyap Bhanushalji, voiced by event coordinator NSS Dilton D'souza. Sensei Kashyap started off with an amazing practical demonstration of various moves that can be employed to defend oneself in time of need. With the help of his younger brother, Sensei Kashyap showed how attackers approach the victims and also showed how we can defend ourselves even if the physical strength is way less than that of the attacker's. It was indeed an educative webinar.

The webinar ended with a Q&A session, and the attendance of the volunteers was recorded.

The key take-away from the session was how we, as individuals, should be aware of the situations which possess a threat in order to defend themselves.

NSS CRCE

REPORT ON GLOBAL FREEDOM SUMMIT

Platform: Google Meet

Date: October 17th, 2020

No. of Volunteers attended:63

On October 17th 4:30 pm IST, members of NSS CRCE in association with The Movement India, had gathered virtually to witness the broadcast of the GLOBAL FREEDOM SUMMIT (A21 org). An event designed to address a very crucial and critical issue in our society, that is, Human Trafficking.

The webinar was very intense and included first hand witness documentations. Every 30 seconds, a person is either trafficked for organ harvesting, labour or prostitution. Each and every aspect of this giant organisation was clearly and explicitly brought forward to the viewers. It was clearly shown how the traffickers approached people with financial problems, poor economics etc. These targeted people were lured with false hope of having a better life, a better education, a good job. The webinar achieved its primary goal, that is, to equip young powerful minds on how to tackle this mammoth syndicate and how to help a person trapped in such situations. Altogether, the webinar proved to be thoroughly educative and informative.

At the end of the webinar the attendance and feedback of all attendees was recorded.

NSS CRCE

REPORT ON AWARENESS ON ANTI HUMAN TRAFFICKING

Platform: Google Meet

Date: October 23rd, 2020

No. of Volunteers attended:49

After attending the GLOBAL FREEDOM SUMMIT on October 23rd, it became evident that this illegal flesh trade should be put to a forever halt. But how do you do that? Well to answer such queries and to educate the minds on their roles and responsibilities to fight this mammoth syndicate, an awareness session was organised by NSS CRCE in association with THE MOVEMENT INDIA. The webinar began with the guest speaker, Ms. Aneesha Reuben thanking the NSS CRCE team for coordinating and organising the session. Next, the NSS CRCE team extended a very warm welcome to all the members of The Movement India organisation. This was followed by the introduction of the guest speaker voiced by the event coordinator Mr. Dilton D'souza.

The main part of the session started off with a short clip of a very young boy who was a victim of Human Trafficking. The clip also featured an 8yr old girl victim of flesh trade. Listening to their tragedy, all attendees were terribly shocked. The children were forced to do labour work, were not fed enough food and were beaten/abused if demanded for more food or proper clothes. It was clearly shown how the traffickers approached parents with financial problems, poor economics etc. These targeted people were lured with money and false hope of giving their children a better life, a better education, a good job. The guest speaker was very informative and also shared various helpline numbers and government websites that can be used to report these crimes or such suspicious activities. This was followed up by an interactive Q&A session. Altogether, the session proved to be thoroughly educative, informative and helpful.

At the end of the webinar the attendance and feedback of all attendees was recorded.

NSS CRCE

REPORT ON RECYCLE FEST

Deadline: 22nd October, 2020.

No. of Volunteers attended:34

Every year **NSS CRCE** organizes events through which our members are able to contribute to the society. Be it Bandra Fair Volunteering with Mumbai Police or Multiple Beach Clean-Ups. But this year due to the pandemic, our hand were tied and we were only able to host webinars on various awareness topics. So, we thought of doing something different and interactive. Something through which we can contribute to the society. That's when we organized *Recycle Fest*.

In Recycle Fest, all of our members were told to make something useful out of the waste lying around in their house. This waste could be anything like Plastic Bottle, CD's, Shampoo Bottles, etc.

The benefits of Recycling are exceptional. Recycling reduces the amount of waste which would otherwise be sent to landfills. It prevents pollution and saves energy. And, most importantly, it reduces an individual's carbon footprint.

We received an outstanding response from both our NSS Members and Non-Members, with over 40+ students submitting their ideas.

We also had our Top – 15 who had performed wonderfully. Some of the Ideas included Vase from Plastic Bottles, Coffee Coaster, Plant Vase, Diwali Kandeel from Medicine Bottle and a lot more.

The pictures of all these creative ideas have been attached below.

NSS CRCE

REPORT ON MENTAL HEALTH AND WELFARE WEBINAR

Date: 28th October, 2020.

Place: Online Webinar

No. of Volunteers attended: 63

Did you know that India is home to the most depressed? That India loses a student every hour? In order to make more and more people aware about this situation, we at **NSS CRCE** organized an interactive session on Mental Health with *The Movement India*.

The Movement India aims at solving pressing issues like Human Trafficking, Mental Wellbeing and Education. The Speaker for the session was Mr. Preejo. He has over 11 years of behavioural training experience. Mr. Preejo currently serves as the Leading Consultant with The Movement India, leading their behavioural learning solutions.

Preejo Sir started off by presenting few pictures and asking everyone questions like what do you feel the picture is trying to say, how do you react in difficult situations, and more.

He explained us how important it is to love yourself first. We should be calm and positive when taking decisions or having an argument/discussion with someone. We should pursue small hobbies like Drawing, Painting, Dancing, etc.

Sir also presented a video on Black dog, where it was shown that a boy who did not try reaching out to people and did not address his problems to his family or friends, was trapped completely by the black dog (depression).

Hence, anyone having any kind of problem should make sure that you connect with people. Practice meditation and journaling, it would help reduce stress and anxiety. Have a healthy diet and workout frequently. If you feel scared or not so comfortable with talking to someone you know, then you can reach out to a therapist or you can contact **1800-120-820050**.

The session was ended with a very active Q&A session from our members with questions like How do you know if you are in depression, how can we reach out to people in depression, etc.

NSS CRCE

REPORT ON STREET DOGS AWARENESS

Platform: Google Meet

Date: November 1st, 2020

No. of Volunteers attended:62

On November 1st 4:30 pm IST, members of NSS CRCE in association with a start-up organisation Paw-tectors formed by CRCE alumni's, had gathered virtually to help people reflect on the vision and mission of Paw-tectors. This event was organized to address the need to protect and owning street dogs around.

The session began with a brief introduction of the speakers Sayalee Sawant and Saif Naqvi by NSS event coordinator Joshua Rodrigues. Sayalee first began with the vision she had for Paw-tectors in mind then stated the inhumane acts street dogs face incurred on them by some individuals. She then addressed the need to adopt street dogs rather than full breed dogs supported by its pros and cons.

Saif Naqvi then explained everyone some ways in which one can help street dogs which can be carried out individually but can make a huge difference for the dogs. Some of these ways included strapping on a reflective dog collar so they can be safe from passing vehicles around them and volunteering in affective ways by donating some essentials and spreading awareness for welfare of dogs starting from ones own society. There was a Q&A session at the end and the attendance of all members was recorded. This session was truly an eye-opener for all and encouraged us all to be the voice for these animals and make this world a peaceful place for both humans and animals.

NSS CRCE

REPORT ON REFORMS IN INDIA'S EDUCATION SYSTEM WEBINAR

Platform: Zoom

Date: November 12th, 2020

No. of Volunteers attended:41

An interesting webinar on the reforms in India's education system was organised by NSS CRCE in collaboration with Public Concern for Government Trust. The webinar aimed to educate young minds on the reforms done and the reforms still needed to be achieved in our country's education system.

The webinar began with a very simple question placed in front of the attendees, what is education?. Simple though it may look, it clearly made the attendees rub their brains to think of an answer. The speaker along with the event coordinators made a pleasant experience throughout the webinar. Even the audience played a significant role in making the webinar a successful one. The webinar carried on for about two hours with the speaker sharing deep ideas and knowledge about the recent reforms.

This was followed up by an interactive Q&A session. Altogether, the session proved to be thoroughly educative, informative and helpful. At the end of the webinar the attendance and feedback of all attendees was recorded.

NSS CRCE

REPORT ON CLIMATE CHANGE WEBINAR

Date: 19th November, 2020.

Mode: Microsoft Teams

No. of Volunteers attended

NSS CRCE organized a webinar with Climate Crew on a highly important topic. This topic requires action on an immediate basis. This is something everyone has been ignoring since a very long time. It is *Climate Change*.

The consequences of Climate Change are so catastrophic and toxic that one can't imagine. We have very less amount of time and there are very few people who are aware about this. Thus, the need for this webinar was important so that we can make more and more people aware about this.

The Speakers from Climate Crew provided every single information about Climate Change and Global Warming. They spoke how Climate Change will increase the Temperature, cause more Droughts, Sea levels will continue to rise, Heat waves and Hurricanes will just get stronger and Arctic is likely to become ice - free.

The Speakers made sure that the webinar is not getting boring. They kept on engaging with our members. Asked them questions. Replied to their doubts. And stuck to Scientific facts. Their way of explanation by using Pictures and Animations were great.

They also explained how everything started (from the beginning) and what kind of measurements other countries are taking in order to control Climate Change.

The best part about the webinar was, that they were trying to explain everything in a scientific way. Which was pretty easy to understand as you actually see how this is happening and how that is getting formed and what is the reason for all that ice melting.

Prof. Pradeep Singh (Program office)

NSS CRCE

REPORT ON PERSONALITY DEVELOPMENT (LEVEL 1)

Platform: Google Meet

Date: Dec 1st, 2020

No. of Volunteers attended:70

An interesting webinar on ownership and goal setting was conducted by the NSS CRCE in collaboration with The Movement India. The session aimed to educate young minds on how to be truthful to oneself and to others. The webinar was focused on ownership of one's acts either good or bad. The webinar started off with The Movement India team thanking NSS CRCE for conducting such an important and necessary webinar. This was followed by the introduction of the guest speaker, Mr. Preejo TJ by an NSS Volunteer.

Mr. Preejo certainly created an enthusiastic environment to say. He clearly talked about the behavioural pattern of individuals when it comes to ownership of one's own acts. The entire webinar was revolved around one thing, and that is ownership and goal setting. Because when one is truthful to one's own self, that is when one accepts credibility of one's own acts either fruitful or not, there are no regrets to ponder upon.

The random questionnaire round was the most amusing as it involved most of the volunteers. It was an amazing experience to have this break the ice session. The talk took about an hour and a half and the audience played an amazing role to make it a success.

This was followed up by an interactive Q&A session.

Altogether, the session proved to be thoroughly educative, informative and helpful. At the end of the webinar the attendance and feedback of all attendees was recorded.

Image: Guest Speaker Mr. Preejo TJ

Prof. Pradeep Singh (Program office)

REPORT ON HEPATITIS WEBINAR

Date: 21st December, 2020.

Mode: Google Meet

No. of Volunteers attended:62

NSS CRCE organized a webinar on the awareness of Hepatitis with United Way Organization. Hepatitis is an inflammatory condition of the liver. This is a condition which very few people are aware about and hence its highly important that more and more people get to know about this so that they can take the right precautions in order to prevent it.

The Speaker for the session was Rakesh Gamare. Rakesh Sir started the session by sending a Pre – Test form about the basics of Hepatitis in order to know what our members initially know.

The session was then followed by an interactive presentation. He explained every bit related to Hepatitis through the presentation which was really easy for everyone to understand.

HEPATITIS

- Hepatitis means swelling and inflammation of liver
- Caused by: Toxins, certain drugs, certain medical conditions, heavy alcohol use, bacterial and viral infection
- Hepatitis Virus can be infectious for up to 7 to 14 days outside the body.

Inflamed Liver

7

He explained in detail about what Hepatitis is, how its caused, the difference between Jaundice and Hepatitis, the common symptoms and types of Hepatitis.

COMMON SIGNS & SYMPTOMS OF HEPATITIS

TYPES OF HEPATITIS

Hepatitis A	<ul style="list-style-type: none"> Fecal Oral Transmission i.e. Passed through contaminated food, water or other drinks (including ice) 	
Hepatitis B	<ul style="list-style-type: none"> Contact with infected blood, multiple sex partners, sharing needles, infected mother to child 	
Hepatitis C	<ul style="list-style-type: none"> Contact with infected blood, multiple sex partners, sharing needles, infected mother to child 	
Hepatitis D	<ul style="list-style-type: none"> Sharing needles (This virus can be in addition to hepatitis B) 	
Hepatitis E	<ul style="list-style-type: none"> Fecal Oral Transmission i.e. Passed through contaminated food, water or other drinks (including ice) 	

He also explained how Hepatitis can be transmitted, about Hepatitis B & C and also about the Carriers.

TRANSMISSION OF HEPATITIS B AND HEPATITIS C

Direct contact with infected blood or body fluids

From infected mother to their baby during birth

By having unprotected sex with an infected person

Unsafe blood transfusions

By using unsterilized needles

By sharing shaving razors, shaving brush, toothbrushes and other personal products

14

After Rakesh Sir was done with his explanation, Dr. Karen took over. She asked questions related to what Rakesh Sir had explained and was stunned with the response as nearly all of the members were able to answer her questions.

Both Rakesh Sir and Dr. Karen suggested that as soon as you get any one symptom of Hepatitis, you should immediately get it tested.

IMPORTANCE OF TESTING

- The **only** way to know if you are infected with the Hepatitis B or C virus is to **get tested!**
- **Not all** routine blood panels test for Hepatitis B and C
- People of all ages should be tested, especially if you're from areas of **high prevalence**
- Early detection can help:
 - **Prevent spread** of the Hepatitis B and C virus
 - Identify appropriate **treatment options**
 - **Reduce risk** for developing liver cancer

19

The Q&A session was highly interactive with questions like, “What causes hepatitis?”, “Can hepatitis Be Cured?”, “Which Hepatitis is bad?”, “Can hepatitis transmitted sexually?”, “Can you catch hepatitis from kissing?” and many more.

The session was ended with a Post – Test form which was intended to know how much did all the members learn.

Prof. Pradeep Singh (Program office)

REPORT ON ROAD SAFETY AWARENESS AND WELFARE WEBINAR

Platform: Google Meet

Date: December 22 & 23, 2020

No. of Volunteers attended:27

On December 22 & 23, 11:00am IST, members of NSS CRCE in association with United Way Mumbai, organized a Road Safety and Guidelines workshop for all NSS Volunteers. This event was introduced to make people aware about the various rules and regulations as there was a tremendous increase in road hazard cases annually.

The session began with a brief introduction of the speaker Mr. Rohit Dalvi by NSS event coordinator Joshua Rodrigues. Rohit first began with his mission to make Indian roads safe and then started the session with some general quizzes on Google form to which all volunteers actively answered. Various topics namely the different road signs and what they meant, importance of keeping a safe distance between vehicles, the different braking systems in vehicles and most importantly picking up the perfect helmet and uses of helmets were discussed.

The whole session was interactive with real life videos demonstrating the pros and cons of the techniques discussed and asking interesting questions throughout. Which brought us to the end of the session where the same form with the same questions was again circulated through the meet to which majority of the participants answered correctly which showed they had learnt a lot from the session. The form entries were recorded and accordingly the attendance. This session was truly helpful for all of us to make us vigilante citizens on roads both while driving or walking.

REPORT ON POSTER MAKING COMPETITION

Deadline: 24th January, 2021

No. of Volunteers attended: 38

NSS CRCE in collaboration with United Way Mumbai and The Movement India organised a creative and intriguing competition for all our NSS CRCE members that is The Poster Making Competition.

The participants were asked to choose among two topics given by us which were I) Road safety and II) What freedom means to you. On the basis of these topics the participants were asked to create a poster on the idea of the what the selected topic meant to them and how they could impact the society. Considering the lockdown as some participants would not be able to go out and buy any stationary, we gave an option as to creating a poster with any available material in their homes or creating a poster using any available online software.

The criteria we set for scoring the posters were that their respective posters should be unique, attractive and most importantly it must portray a message regarding the topics they'd chosen. And living up to our expectations we received an overwhelming response with 44 unique and creative posters.

It was tough but we finally had our top 10 posters which stood out from the rest and portrayed some striking views.

Attached below are the posters of all the 10 Poster Making Competition winners.

REPORT ON WORLD WETLANDS DAY (UNITED WAY)

Date: 2nd & 3rd February, 2021

Mode: Google Meet

No. of Volunteers attended:53

Every year, 2nd February is celebrated as World Wetlands Day. On this occasion of World Wetlands Day, NSS CRCE in association with United Way has arranged two expert talks where, experts in the field of photography and mangrove conservation has shared their valuable experiences with us.

The first speaker was Mrs. Shivangi Mehta, an International award winning wild life photographer and the second speaker was Mr. Suresh Varak, Range Forest Officer, Maharashtra forest Dpt. It was 2 day event which was held on 2nd and 3rd February, 2021.

Mrs. Shivangi Mehta and Mr. Suresh Varak has created an enthusiastic environment to say. He talked about how and why Wetlands day is celebrated. More than 50 NSS volunteers has participated in this webinar.

Wetlands are vital for humans, for other ecosystems and for our climate, providing essential ecosystem services such as water regulation, including flood control and water purification. Wetland biodiversity matters for our health, our food supply, for tourism and for jobs. Wetlands also absorb carbon dioxide so help slow global heating and reduce pollution, hence have often been referred to as the "Kidneys of the Earth".

The talk took about an hour and a half and the audience played an amazing role to make it a success. This was followed up by an interactive Q&A session. Altogether, the session proved to be thoroughly educative, informative and helpful. At the end of the webinar the attendance and feedback of all attendees was recorded.

REPORT ON RIGHT TO INFORMATION.

Platform: Zoom

Date: February 6th, 2021

No. of Volunteers attended:58

An educative webinar was conducted by the NSS CRCE in collaboration with the PCGT Organisation. The session aimed to educate minds on how the government documents and public data can be accessed by any citizen of our country. The webinar started off with a quick introduction of the speaker, Mr. Shailesh Gandhi by the event handler.

Mr. Shailesh certainly created an enthusiastic educative environment to say. He explained how the citizen of our country can access any documents or files by following a certain legal procedure. He also stated the relevance and need of the RTI act. He certainly laid a base foundation in the minds of all the attendees to understand more about various such privileges and use them upto their full extent. The talk took about an hour and a half and the audience played an amazing role to make it a success. This was followed up by an interactive Q&A session.

Altogether, the session proved to be thoroughly educative, informative and helpful. At the end of the webinar the attendance and feedback of all attendees was recorded.

NSS CRCE

REPORT ON CIVIS SERVEY

Date: 25th – 29th January, 2021

No. of Volunteers attended:14

NSS CRCE in collaboration with Civis Foundation. Civis had conducted a participatory budgeting exercise for Mumbai's Health Budget 2021-22. It was 5 days event where NSS volunteer had to participate in survey of Mumbai's Health Budget 2021-2022.

Participatory budgeting refers to a process where citizens get to decide where and how the city's budget is spent. We are asking the residents of Mumbai about what areas should be prioritised under the Health domain for the government, through our website.

There was even a seminar conducted by civis foundation in which Volunteers can ask their doubts regarding survey which volunteers have to attend.

Altogether, the survey was thoroughly educative, informative and helpful. NSS volunteers has participated in this survey very enthusiastically. Volunteers has taken feedbacks from the people.

REPORT ON VEGAN OUTREACH/ VIRTUAL TOUR

Platform: Zoom

Date: February 23rd, 2021

No. of Volunteers attended:40

An interesting webinar on Integrity was conducted by the NSS CRCE in collaboration with Vegan Outreach. The session aimed to educate young minds on how to be less dependent on animal products in order to stop cruelty against animals. After successful completion of level 1 of the Boot Camp initiative, the focus was put on level 2. The webinar started off with the introduction of the guest speaker, the first vegan to climb the Mt. Everest, Mr. Kuntal Joisher

Mr. Kuntal Joisher certainly created an enthusiastic environment to say. He talked about the motives the challenges faced and how he overcame all of them. It wasn't easy and definitely not a one time thing. The success was an outcome of many years of training, practice and research to climb the world's greatest summit on a complete plant based diet and clothing. This is something remarkable and many fail to understand the importance of this success. His success proves to the world that cruelty against animals can be terminated if one is determined enough to develop alternatives.

The random questionnaire round was the most amusing as it involved most of the volunteers. It was an amazing experience to have this break the ice session. The talk took about an hour and a half and the audience played an amazing role to make it a success. This was followed up by an interactive Q&A session. Altogether, the session proved to be thoroughly educative, informative and helpful. At the end of the webinar the attendance and feedback of all attendees was recorded.

NSS CRCE

REPORT ON FEEDING STRAY ANIMALS

Date: 2nd March, 2021.

No. of Volunteers attended:23

"He who feeds an hungry animal, feeds his own soul" - Charles Chaplin

On March 2nd, members of NSS CRCE in association with a start-up organisation Paw-tectors formed by CRCE alumni's, has conducted a feeding drive for stray animals. Volunteers had Feed Stray animals in their area and Captured the moment, put it on their Instagram story and taged @nss.crce and @paw_tectors.

In this feeding drive for stray animals, top 3 lucky winners had got 2 reflective collars each for thir community dogs. The giveaway was after the feeding drive. And the participants who have been a part of feeding drive and followed the instructions will only be eligible for the giveaway.

NSS CRCE

REPORT ON PERSONALITY DEVELOPMENT (LEVEL 3)

Date: 4th March, 2021.

Mode: Google Meet

No. of Volunteers attended:28

NSS CRCE with The Movement India organized an event on Servant Leadership. Servant Leadership is a topic that not many people are aware about and that is why we kept this topic as the Level 3 of our Personality Development Sessions.

The Speaker for this session was Mr. Preejo, who has over 11 years of Behavioural Training Experience.

Before starting with the main topic, Preejo sir asked the members few questions from the Level 1 & 2. Members seemed to remember most part of the two sessions.

Preejo sir then quickly revised whatever had been done in the Level 1 & 2 and then started off with What exactly is Servant Leadership according to the members?

He then gave an example of Marvel and Captain America and asked the members that who according to them is a better Leader?

He then explained various aspects related to Servant Leadership like the Principles and Roles of Servant Leadership and how can you learn it?

At the end of the session, he asked who according to us is the best leader? Which got a lot of responses and everyone discussed why they feel their role model is a better leader.

Preejo sir wrapped up the session with an Interactive Q & A Session.

NSS CRCE

REPORT ON CELEBRATION OF 75 YEARS OF INDIA'S INDEPENDENCE

Date: 12th March, 2021.

Mode: Google Meet

No. of Volunteers attended:56

The mega celebrations to commemorate the 75th anniversary of India's Independence has begun on March 12 with the inauguration of 'Azadi Ka Amrut Mahotsav' by Honourable Prime Minister by flagging off a 241-mile march from Sabarmati Ashram in Ahmedabad to Dandi in Gujarat's Navsari district to mark the day.

India has celebrated 75 years of its Independence. The Union government has announced a 75-week programme to mark this historic occasion. A day before it became a Republic, on January 25, 1950, India established its Election Commission. The country started its journey with adult franchise. This equality, the only one, is the luxury of women of India.

Due to Covid-19, the schooling system in India has moved from a classroom setup to an online one. The digital divide is pushing a large number of students, particularly girls, out of school.

When a majority of the Indian population depends on public sector provisioning for essential services, the mad push for privatisation, corporatisation and the stepping away of the government from sectors like health, education and employment has further devastated the lives of the people. Women are the biggest victims of the pro-corporate policies of the government. The alarming increase in anemia and malnutrition levels among women and children will end up as a silent genocide.

NSS volunteer has actively participated in this programme and show their interest in it.

More the 60 Volunteers has participated in this Programme Webinar from our College. This webinar was motivational.

The programme ended successfully with vote of thanks.

Prof. Pradeep Singh (Program office)

NSS CRCE

REPORT ON WOMEN EMPOWERMENT

Date: 15th March, 2021.

Mode: Google Meet

No. of Volunteers attended:54

We are all aware of how important Women Empowerment is and how even in 2021, women are still being discriminated based on their gender.

To create an awareness about this issue, **NSS CRCE** organized an event on Women Empowerment with **Katalyst**.

Katalyst started a decade ago with the intention of liberating women through the pursuit of professional education.

Their initiative prepares young women for leadership roles and for building self - confidence amongst themselves.

We had three speakers for our event, Gautami Siliveri, Samiksha Ramteke and Anjali Selokar.

The event started with an engaging presentation from Katalyst. Where in, they spoke about what exactly does one mean by 'Women Empowerment' and what can we as an individual do to support it.

Samiksha and Anjali spoke about the topic from the very basics so that everyone is clear with what they are explaining.

After talking about the basics, Gautami took over and spoke about the never – ending barriers which are imposed on women by society and in some situations, even their families.

She spoke how Women are paid less, expected to cook and still being restricted by their family. Not only this, but also how people now – a – days pass sexist comments like, “Stop driving like a woman!” or “If you go to work, who will take care of the house?”.

Ways to promote Women Empowerment

- ❖ **Create opportunities for women of every age.**
- ❖ **Create new roles for women, so companies can develop better.**
- ❖ **Pay should be equal irrespective of gender.**
- ❖ **Empowering women by educating them.**
- ❖ **Diversify leadership by promoting women for management and executive positions.**
- ❖ **Creating safe space.**
- ❖ **Support Independence and Mobility.**
- ❖ **Educating whole system including men.**

Gautami then spoke about what can we do to promote Women Empowerment. If we see any sort of inequality happening around us, we shouldn't keep quiet! We should raise our voice and ask for equality. After this, the session was ended with a Q & A Session.

REPORT ON DOCUMENTARY ON BULLING

Date: 19th March, 2021.

Mode: Google Meet

No. of Volunteers attended:59

It is very well known how common Bullying is getting in our generation. Bullying not only destroys a child's self esteem but also makes him/her suffer from Depression, Stress and Anxiety.

Things like body shaming, passing racist comments and teasing the weaker children for different reasons should be stopped and it's important that we all raise our voice against this.

As sometimes, when situations get worse, Bullying might lead to a child committing suicide.

To create an awareness about this much important topic amongst our NSS Members, we decided to present a short documentary on Bullying.

Too Scared For School (Bullying Documentary) | Real Stories

In this documentary, they shared real life stories of all those children who suffered from Bullying in their school time.

From teasing students on a regular basis to physical violence, this documentary covered it all. It showed how just to have fun, these bullies would make the life of other children miserable.

They also explained the steps you can take if anything of that sort is happening with you.

Overall, the video was really nice and quite informative and inspiring.

NSS CRCE

REPORT ON DOCUMENTARY ON SUSTAINABILITY

Platform: Google Meet

Date: 21st March, 2021

No. of Volunteers attended:52

NSS CRCE organised an informative session on global sustainability. Global sustainability an important concept defining the co-existence between humans and nature. The sole purpose of this session was depicting the importance we as humans acknowledge nature and in-turn improve human lives by living in harmony with mother nature.

The session began at 4pm with a brief introduction as to what sustainability is and its importance. Then we presented our members with a documentary put together by a channel on YouTube called Complexity Labs. This documentary covered all the important points regarding global sustainability and was also soothing and relaxing to the eye at the same time. It explained all the intricate co-relation among the several beings in nature and how to achieve a balanced ecosystem.

This session was a really inspiring and taught all our members the importance of nature and its co-existence with all living organisms.

A still from the documentary explaining the concept of diversity

REPORT ON AN EVENING WITH A COP

Date: 31st March, 2021

Platform: Google Meet

No. of Volunteers attended:65

NSS CRCE has organized an Interview session with *BSF Office Assistant Commandant Pushkar Chejara*. The session aimed to gain more knowledge and idea about the life of the BSF officer and scope for the students in BSF after Engineering.

The session started with an introduction of Asst. Commandant Pushkar Chejara by Trisha Singh. Asst. Commandant Mr. Pushkar joined BSF in 2003 as a Sub Inspector and was promoted as an inspector in 2009 after completion of 8 years of service. Later he got selected for Assistant Commandant in BSF. Being a BSF officer he served in Kashmir valley J&K, Rajasthan's Thar desert and Gujarat's Rann of Kutch area. During this period he got opportunity to serve at BSF training centers too. Presently he is serving in Rajasthan as a police on deputation and looking after the training of police personnels.

Later on Trisha Singh and Gayatri Varma took his interview and asked various questions regarding the his life in BSF his experiences and scope for the students who are later interested in joining BSF or else. Members have also asked their doubts and questions regarding defence and joining it. The session was ended with Q&A and suggestion to young generation. More than 60 members joined the webinar.

NSS CRCE

REPORT ON AN ORGAN DONATION SESSION

Date: 7th April, 2021

Platform: Zoom

No. of Volunteers attended:43

“Nothing Can Be Better Than Helping Someone after Your Death When You Donate Your Organs”

Mumbai University has organized a webinar session on Organ Donation. NSS volunteers have participated in this session. The aim of this session is to motivate normal human beings to pledge to donate organs after death, and to spread awareness about the importance of organ donation.

Even after death, some organs of the body can be preserved and stored. If these organs are donated, it might save somebody else's life. The rate of organ donation has significantly increased due to the number of successful cases. Organ Donation is defined as the removal of organs from a body and transplanting it to a new body by surgical means. The requirement for new organs usually arises when a person loses an organ to some accident or stops functioning.

So, the speaker of the webinar explained the need, importance and all other details regarding the organ donation.

NSS CRCE

REPORT ON MENTAL HEALTH

Date: 16th - 17th April, 2021

Platform: Google Meet

No. of Volunteers attended:56

Did you know that India is home to the most depressed?

That India loses a student every hour?

In order to make more and more people aware about this situation, So, it has been requested to attend an International conference on Mental Health. It is 2 Day webinar that is on 16th and 17th April, 2021.

In recent years, there has been increasing acknowledgement of the important role mental health plays in achieving global development goals, as illustrated by the inclusion of mental health in the Sustainable Development Goals. Depression is one of the leading causes of disability. Suicide is the second leading cause of death among 15-29-year-olds. People with severe mental health conditions die prematurely – as much as two decades early – due to preventable physical conditions.

Despite progress in some countries, people with mental health conditions often experience severe human rights violations, discrimination, and stigma.

Many mental health conditions can be effectively treated at relatively low cost, yet the gap between people needing care and those with access to care remains substantial. Effective treatment coverage remains extremely low.

Increased investment is required on all fronts: for mental health awareness to increase understanding and reduce stigma; for efforts to increase access to quality mental health care and effective treatments; and for research to identify new treatments and improve existing treatments for all mental disorders.

FR.CONCEICAO RODRIGUES COLLEGE OF ENGINEERING

Father Angels Ashram Road, Bandra West, Mumbai, Maharashtra 400050.

REPORT OF ROTARACT CLUB OF FRCRCE (2020-2021)

Rotaract Club of Fr. Conceicao Rodrigues College of Engineering is one of the prestigious organizations in the institute. The Club is affiliated under the charter to the Rotary District 3141 Zone 1A under the parent Rotary Club of Bombay Bandra. Rotaract Club of Fr. CRCE aims to organise interactive events as a medium to have funds raised for charity.

The Rotaract Club of CRCE has been affiliated with the Rotary Club of Bombay Bandra, which has recognized the efforts that the Rotaract Club of Fr. CRCE has put in order to make a difference to society. This year, Rotaract Club of Fr. Agnel College (Bandra West) is associated with NGO TWEET foundation to work towards transgender rights, Institute of Exceptional Children, Father Agnel Ashram and NGO COMMUNITY OUT REACH PROGRAMME (CORP). This NGO works to educate and to elevate the life of the children living in the slums.

Despite the limitations and extreme hardships caused by the global pandemic, Rotaract Club of Fr. CRCE has still managed to organize many events in odd and even semester like **Life after Engineering, Finding your Identity, Red Wall Project**, Marathon, awareness programs and many more to help and to raise the fund for charity.

The Club has always upheld its ultimate goal of contributing towards the society. For this very purpose, the Club organizes 'The Heart and Sole Run 4.0' to encourage people from all over India to run for social change. This club has donated Rs. 20000 to Father Agnel Ashram and 15000 to CORP NGO.

Report on climate change seminar.

Place : Fr. C.R.C.E

Date : 22nd June 2019.

Climate change is having serious impacts on the world's water systems through more flooding and droughts. Warmer air can hold a higher water content, which makes rainfall patterns more extreme.

Rivers and lakes supply drinking water for people and animals and are a vital resource for farming and industry. Freshwater environments around the world are already under excessive pressure from drainage, dredging, damming, pollution, extraction, silting and invasive species. Climate change only exacerbates the problem and makes this worse. Extremes of drought and flooding will become more common, causing displacement and conflict.

NSS unit of Fr. Conceicao Rodrigues College of Engineering took this step to make everyone aware about the changes and that they should take certain action or measures for better world. We conducted seminars by showcasing presentation and showing video clips of what is happening in their surrounding. This carried on for a month where each day at least two seminar were covered according to time table.

My role as a leader was to organize seminars take permission and conduct it, I would like to thank our dean Dr. V. B.Bohir who helped in arranging class and organize seminar smoothly.

NSS CRCE

REPORT ON TREE PLANTATION WITH SOCIETY PEOPLE

Place: Emerald Court Garden Mumbai (Andheri w)

Date: 5th JULY 2019.

Every man needs the oxygen for their life and trees are the foremost source of oxygen as well. Trees help to reduce the level of CO₂. As we all know that the whole world is facing the problem of global warming and to recover from such a problem, planting trees has become one of the most important aspects of today's life.

The NSS Unit of FRCRCE organized a "Tree Plantation" programme "MY EARTH – MY DUTY" under the National Service Scheme (NSS) on Friday, 5th July, 2019, in the Emerald Court Garden premises. It was attended by the NSS Programme Coordinator, Society People, and more than 10 student volunteers.

The event began with a welcome speech by the NSS event coordinator. At that time, the coordinator advised the volunteers to think differently for the society, to make positive changes, and to make improvements. My role here was to arrange saplings and collect society people and arrange for this programme.

Image : Society ladies helping in plantation.

S.S.

After the inspirational words of NSS coordinator, we all move towards the place where tree plantation took place. Total tree planted by all others including Society, volunteers and other students was more than 30 on the day. Under the Guidance of NSS Program Coordinator, NSS volunteers and Society people of their area planted more than 20 trees. The students also placed bricks as barricades and each student took the responsibility to nourish and maintain the allocated plant. Eventually, the ground attained a glorious look. The committee decided to proceed with the same inspiration, enthusiasm and zeal to enhance the beauty of the campus.

S.S.

NSS CRCE

Report on Bottles for change.

Place : Bisleri, Andheri [east]

Date : 21st august 2019.

Bisleri a leading no one company in beverages and distilled drinking water which was founded in 1965, with the increasing amount of plastic spread which is harming our environment, Bisleri has taken this initiative by showcasing that plastic is not the problem, but plastic waste created by irresponsible human behaviour is the problem this can be only be fixed, by changing our habits.

This initiative taken by bisleri Bottles for Change aims to create awareness among the citizens, about the importance of recycling plastic, and create an effective channel through which the various kinds of used plastic can be sent directly for recycling.

This bisleri initiative bottles for change in collaboration with NSS to make schools colleges and society aware about the condition and recycling of plastic played a important role, we could collect 1 ton of plastic in our college and made all our students and staff aware about this initiative.

NSS unit of Fr. Conceicao Rodrigues College of Engineering is very thankful to bisleri and NSS to take this initiative for betterment of society and world.

Process in brief :

1. Introduction about bottles for change followed by awareness.
2. Segregation of clean plastic at user end.
3. Collection of plastic by plastic agents.
4. Sending collected clean plastic directly for recycling.

Report on Kolhapur Flood Relief Donation

Place : Fr C.R.C.E

Date: 22 August 2019.

“You have not lived today until you have done something for someone who can never repay you.”
— John Bunyan

With the help of NSS unit of Fr.CRCE the students and professors of Fr.CRCE came together to contribute for flood -affected victims of Kolhapur. Together the college collected and donated essentials like clothes, dal, pulses, rice, sanitary pads, soaps, stationery for students such as books, crayons, etc. The donation campaign was conducted for around a week.

S.S.

Image : essentials packed to deliver

The NSS unit of the college had taken this initiative of collecting these essentials and distributing it to all the flood affected victims. Our aim was to work together and support organizations and efforts towards helping Kolhapur

Our community members, students and Professors were very keen and generous in contributing towards the relief operation. The donation boxes were kept on each floor of college and students and professors were requested to put the essentials in those boxes. The donation campaign was a great success as various students and professors had contributed. On behalf of the NSS unit of Fr. CRCE we are thankful for each one of you for lending your helping hands towards this donation drive.

We hope our small contribution helped all those in need.

NSS CRCE

REPORT ON Blood Donation 1

Date: August 28th 2019.

Place: FR. Conceicao Rodrigues College of Engineering.

“Your little effort can give others second chance to live life.”

Image : Group picture of hospital staff and nss volunteers

As Donating a part of ourselves for the betterment of the society is our motto, NSS CRCE along with the staff of renowned TATA Memorial Hospital were successful in organizing a Blood Donation Campaign on 28th August ,2019 . The Drive received an overwhelming response from the students as well as the staff of our college.

Signature

Various posters and promotion were done of blood donation, in college premises canteen and in staff room.

The event commenced by 10:am in the morning and went upto 4:00 in the evening. Donors of all blood groups donated their blood. Each donor was given snacks post donation. Certificates were provided to all the donors by the hospital. Donors with rare blood group were given a special gift. Enough amount of blood was collected and the hospital staff as well as the donors went home happy faces!

NSS CRCE

REPORT ON GANPATIVISARJAN CLEANUP - 1

Place :juhu beach, Mumbai.

Date : 19th September 2019.

Image : condition of Juhu beach before the cleanup

Ganpati Visarjan is an auspicious ritual and a festival that brings people together. But with those festivities enjoyed by a large crowd , The beaches used for visarjan end up with a lot of litter and waste. This litter is very degrading for the environment and the marine life. The beaches also are a huge tourist attractions and provide income to many people . Fr. Conceicao Rodrigues College of Engineering NSS unit took an initiative in coloboration with Asociation of Social Beyond Boundaries foundation to clean up juhu beach located in mumbai suburban, as Ganpati Visarjan beach cleanup . Our enthusiastic volunteers reported at the rendezvous point at the Juhu beach, Mumbai in the morning and started cleaning the beach. The volunteers gave their best for about 5 hours and the results show their hard work. This event made the volunteers realize the impotance of cleanliness and preserving the environment. And how to come up with an better alternative to celebrate ganesh utsav, By using clay idols , paper idols and doing visarjan in artifical ponds or coming up with a metal ganesh idol and reusing it every year.

S.S.

Image: group picture of volunteers at Juhu beach after the cleanup.

Walk For Freedom

Date: 2nd November 2019.

Place: St.Stanislaus High School,Bandra(W)

The Walk for Freedom is a silent walk where participants pledge to help end human trafficking in their lifetimes, and walk single file in a public place holding placards about the reality of human trafficking that raises awareness among the watching public. Globally, the Walk is organised by A21, an international NGO which is engaged in the fight against modern-day slavery. Here in India, a volunteer mobilisation platform based in Mumbai called The Movement India has collaborated with A21, who have together partnered with 47 colleges, corporates and NGOs across the country to organise the silent Walk at public spaces in Chennai and nine other cities.

WALK ■■■
FOR ■■■
FREEDOM

Image: A21 logo

"Each of us have the choice to step up "Each of us have the choice to step up and be the solution to the problems that surround us. Slavery should not exist in our world when we are alive to help put an end to it.

Signature

We are walking in 10 cities across India on October 19. This event is taking place third time in a row in Chennai. It aims to create awareness that slavery still exists. We have a three-fold objective — one is to create awareness, second is to help people understand what are the indicators and lastly, if they see something or identify it then what they should do," says Biju Thampy, The Movement India's founder.

The event is being held in India for the past two years and it has been taking place across the world for the last five years. In 2017, The Movement India partnered with A21 and launched the Walk in Mumbai where almost 350 people turned up in support of the cause. In 2018, it happened across four locations in Mumbai and one location in Chennai where over 1450 came for the Walk. In Chennai alone last year more than 580 people joined and this year the organisers say that they already have over thousand registrations. "This event is being conducted with the aim of providing proper advocacy to the cause where government officials like child rights commission officers, child welfare officials, police officers, anti-trafficking NGOs, corporate, media, colleges all come together to take a pledge against human trafficking for their respective cities," explains Preejo TJ, who is heading the Chennai Walk.

Image: Students gathered for the walk

The Walk for Freedom was held on 2nd of November. The venue was St.Stanislaus High School located in Bandra West. The reporting time was 7.00 am and the event took place for nearly 2 hours upto 9.00 am. We were instructed to wear black attire and report.

Handwritten signature or initials in blue ink.

Thus to show our part and protest against the ongoing human trafficking and slavery around the world and according to the instructions given, the NSS unit of our college actively participated in this event. The walk was carried on from the given location upto Bandstand. All were wearing black clothes and holding placards the walk was carried out as a peaceful protest by many students of several colleges including our NSS team. After the event a motivational speech was given by chief guest-Shri.Urmila Matondkar. Also certificates were provided to all by, 'The Movement India'.

It felt good seeing that how many active students showed interest in this event and we hope that it gives some fruitful impact towards the human trafficking scenario overall.

NSS CRCE

Chinbai Beach

Date: 21st September 2019

Place: Chinbai village, Bandra.

On 21st September 2019 which is also international peace day and world coastal cleanup day, To celebrate this day FR. Conceicao Rodrigues College Of Engineering NSS unit in collaboration with United Way Mumbai had conducted a cleanliness campaign. This beach cleanup campaign was conducted to gain awareness among people to keeping the environment clean and neat as said by anonymous that when you come to sea shore only leave your foot prints and carry your memories.

Image : our volunteers cleaning.

Arriving at the Chinbai Beach in month of September we were unpleasantly surprised. The amount of trash observed while we walking towards our designated spot for cleanup was simply too astonishing.

The objective for our cleanup was to beautify the beach. For this beach cleanup event 30 students for FR. Conceicao Rodrigues college NSS unit along with 25 from United Way foundation volunteers for this

Handwritten signature or initials.

event. A lot of people had gathered for this cleanup with various organizations background and individuals, With this same motto and initiative. we had to do publicity about this cleanup by social media and messages and coordinate united way for collaboration.

Image : Volunteers working for cleanup.

After the briefing all the participants were eager to clean the beach .The cleanup started at 8 am and ended till 11am. The garbage was collected in huge bags and kept at one place .That collected garbage was later taken by the municipality .

I believe this project of NSS has been the most valuable project and priceless experience to all participants. We have been through many challenging experiences along this beach clean up for instance the quick stand at some parts of the beach .

Besides, one of the biggest challenges was we had to collect all the state rubbish which sometimes emitted a foul smell and we even found some nappies that were thrown inside the rocks. It was awful yet gave us a challenging experience.

NSS CRCE is grateful to all the participants and the United way foundation to give our members an opportunity to work .

NSS CRCE

REPORT ON WASTE MANAGEMENT SEMINAR

Date : November 15th,2019.

Place : Mumbai

NSS CRCE conducted a seminar on waste management in collaboration with **RUR foundation** in a society in Andheri East, Mumbai.

RUR GreenLife is a socio-environmental organization, founded in 2009, passionately working for the planet by employing an end-to-end, cradle-to-cradle approach towards urban solid waste management. At RUR, people ideate, design, build and implement customized turnkey 'waste-to-resource' solutions which are sustainable and decentralized for homes, schools organizations and corporate offices. They optimize waste recycling(>90%) and thus minimize the impact on landfills and environment.

S.S.

Image : RUR Greenlife foundation logo

Vision of the foundation :

- To spread eco-consciousness amongst citizens and help them contribute to our planet by adoption good green practices.

Mission of the foundation:

- Sensitize and educate citizens towards sustainable living
- Develop eco-friendly products as green alternative
- Innovate and design solutions to maximize recycling at source and reduce loads to the landfills.

All the members of the society assembled at the society ground. The seminar began at 10:00 am.

Image: Society members at the seminar

Signature

In this seminar, the society members were made aware of the importance of waste management and how to go about accumulating and reducing the waste which is beneficiary for the ecological system. They were instructed about segregation techniques for 3 types of wastes namely WET waste which is BIODEGRADABLE, DRY waste which is RECYCLABLE and TRASH which is NON-RECYCLABLE.

Then they were instructed about the significance of 3R's- REDUCE, REUSE AND RECYCLE – how to reduce the amount of waste, how to recycle the waste and use it again. It was a very informative session.

Image: Society member giving a plant sapling as a token of thanksgiving to the foundation

NSS CRCE and the society members are thankful to the RUR foundation for this session and make us aware about the importance of waste management which is essential for ecological survival and protecting the human and animal special from the harmful side-effects of this waste in our environment.

NSS CRCE

REPORT ON MAKING OF COMPOSE PIT

Date: August 17th 2019.

Place: Mumbai

Image : composed pit.

One of the first steps in changing food culture is to develop a food growing area . A key part of this is having an effective composting system in place. This is a cornerstone of organic gardening and has many benefits to the community and environment. Making compost is not only about providing soil and plants with a source of food, it is an integral part of working organically and reducing waste. Composting provides a useful way for teachers, pupils and catering staff to explore educational opportunities together. Producing compost reduces waste to landfill, greenhouse gases and dependency upon peat based growing media and chemical fertilisers, saving money and the environment.

S.S.

The NSS Unit of **FRCRCE** organized “**Making Of COMPOSE PIT**” programme under Guidance of sir George (founder) and the National Service Scheme (NSS) on Saturday, 17th August, 2019 in the Emerald Court Garden premises. It was attended by NSS Programme Coordinator and more than 50 student volunteers.

The event was begun with the welcome speech by the Sir George and NSS event coordinator. At that time Sir George advised the volunteers to think differently for the society, to make positive changes and to make improvement.

Improving soil by using compost is a keystone of organic gardening. Well-made compost is an incredibly useful material. It is a wonderful soil improver, aiding water retention in light sandy soils and breaking up heavy clay soil. As a growing medium it provides nutrients to plants, allowing for vigorous growth and higher yields. When used as mulch it feeds the plant and improves soil. The composting process has many learning opportunities that are accessible to pupils of all ages. Keeping that thought in mind all nss member started building up the compose pit.

Image : volunteers digging for pit.

After all hardwork and determination by NSS member the compose pit was ready. It was a successful event, everyone enjoyed and being a part of the program.

This project is just an initiative by nss member, hoping that in future there will be many more such kind of activities that will insist on giving , by following the quote‘**We make a life by what we give.**’

NSS CRCE

REPORT ON 1-Week Terrace Garden Project

Date: 18th-24th August 2019.

Place: Fr. Conceicao Rodrigues College of Engineering.

Plantations of trees is important as they improve the life and fulfil essential needs of mankind. During photosynthesis, the trees breakdown food materials and consume carbon dioxide. Resultantly with the help of sunlight, the trees produce carbohydrates. Moreover, trees support life by providing habitat to different species such as squirrels, bees and birds. Trees cleanse the climate by absorbing carbon dioxide from the environment and releasing oxygen. The trees cool the environment through their leaves by absorbing the sun heat. Thus, there occurs cooling in the atmosphere. The trees provide shades to houses and streets.

Signature

Image : fund raising stall.

Trees clean the air by absorbing harmful chemicals such as nitrogen oxide and removing dust particles from the air by absorbing them in their leaves. Another importance of planting trees is that they save the water from impurity. Trees stop water pollution by breaking the direct fall of rainfall to the ground. Through trees, we make furniture and produce materials like books and papers. Trees help to relax and to reduce blood pressure. Different species of trees also relax the mood of people.

We had kept a proper fund raising program and list of those who have donated and their record we had kept crystal clear with everyone our principal and director supported and helped us a lot for this initiative.

Pre-planning of the project

Our college has had a long standing tradition of preservation of culture, heritage and flora and fauna. In order to sensitize students towards the need to preserve our environment and ecology, tree plantation drives are organised in our college from time to time. One such drive was held during 18th-24th August.

Firstly our college performed a fund raising campaign for the tree plantation project. Many students showed keen interest in donating for the project and most of the fund required were provided by our college. Then the collection of things started accordingly. Firstly to make the pots for planting the plants we collected old drums, cut them to half and recycled them. Then after soil and compost were collected to give nourishment to the plants for further growth.

In this pre-planning I with my fellow mates had to get things delivered drums cut compose mixed and keep ready for planting.

Signature

Image: Preparations for the tree plantation

Afterwards we collected plants from local nurseries which included some basic fruit and normal plants which included;

- Guava
- Kaju(Cashew)
- Lemon
- Hibiscus
- chickoo ,etc.
- **Iniatiation of the tree plantation**

On the first day i.e, on 18th of August our NSS unit members gathered together for the project as per the given schedule. Then the plants were planted accordingly with great interest by our NSS members as instructed by our teachers. Our NSS unit showed keen interest while planting the plants and filling the pots with soil and compost. All the pots were labelled based on the tree planted in them.

As this day was special we had to keep everything ready and our plants are to be planted finally.

Image: Plantation of saplings.

S.S.

- **Inauguration**

After all the plantation was done,our director,'**Fr.Valerian Dsouza**' and principal' **Dr. Srija unnikrishnan**' inaugurated the terrace garden project and watered the plants with various other faculty members planting samplings.

Image: Inauguration ceremony

The project took place in a good shiny area within the college premises.Its motive was to;

- Provide more greenery to our college premises.
- Keep the surrounding air healthy and clean
- Provide food and fruits
- Add unity to in our NSS team and rise team-spirit

S.S.

Our NSS members gathered after college and happily contributed towards the initiative. We hope our efforts do not go in vain and give us good outcomes. Various plants are thus set up and we take care of it on regular basis and water idaily. Thus, this was the little we contributed towards our planet, for its better future.

Image: Sampling planted on terrace garden .

NSS CRCE

REPORT ON TREE PLANTATION

Date: 8th August 2019

Place: Mumbai.

“Reversing deforestation is complicated; planting trees is simple”

Image : one of our nss member planting.

Fr. CRCE launched an extensive plantation programme in St. Peter's high school on August 8. As a part of national service scheme our institute binds to contribute to the activities which are beneficial to the improvement of the society. The students and teachers from our college planted saplings in empty places in well organized manner. The tree plantation programme started at 10am. In order to restore the eco-balance

of the afforestation this drive was taken with all seriousness. Trees play an important role in reducing the air pollution and to maintain the good quality air level in environment. So every individual should plant as many trees as possible . Because day by day pollution level in environment is getting worse. Hence, plantation is the only solution. As the surrounding of St . Peter’s high school is crowded by vehicles so it may lead to increase the pollution level in that area. As it is also surrounding by educational institute ,tree plantation will help to maintain the good air quality.

Image : turning tide founder Mr. George giving instruction to our Nss members.

This tree plantation programme was done in collaboration with turning tide George Sir who helped us a lot. All necessary support was provided to students and thus the programme was successfully completed.

Participants were highly excited and enthusiastic to make it a big success. Many trees were planted like neem, Ashoka, Queen’s flower, tulip tree, fountain tree. Fruits like guava, mango, etc. were planted. Participants planted, fenced and watered the plants. Students understood the importance of plantation and types of trees beneficial for environment.

S.S.

NSS CRCE

REPORT ON Blood Donation 2

**Date: January 28th 2020.
Engineering.**

Place: FR. Conceicao Rodrigues College of

“Never feel yourself weak, you have the ability to save a life. Just donate blood.”

As Donating a part of ourselves for the betterment of the society is our motto, NSS CRCE along with the staff of renowned Holy Family Hospital (Bandra West) were successful in organizing a Blood Donation Campaign on 28th January, 2020. The Drive received an overwhelming response from the students as well as the staff of our college.

Various posters and advertisement were done of blood donation, in college premises canteen and in staff room.

Signature

Image : our volunteers helping donors.

The event commenced by 10:am in the morning and went upto 4:00 in the evening. Donors of all blood groups donated their blood. Each donor was given snacks post donation. Certificates were provided to all the donors by the hospital. Donors with rare blood group were given a special gift. Enough amount of blood was collected and the hospital staff as well as the donors went home happy faces!

NSS CRCE

Report on Plastic Ban Rally

Date: 24th September 2019.

Place: Bandra.

On 24th September 2019, FR. Conceicao Rodrigues College Of Engineering had conducted a Plastic Ban Rally. As 24th September is celebrated as NSS day we students decided to celebrate this day in a unique way by conducting awareness campaign among people.

For this rally I had to take permission from college then police who helped us through the rally, various banners and posters were also made.

Signature

Image : our volunteers carrying banner

By taking the permission for Mumbai police we started our rally from Bandra station to our college which is located a Bandstand.

The volunteers were instructed to report at the location at 7.30 am on 24th September .NSS was celebrating their 50th anniversary on that day.To commemorate this Rally was organized .The volunteers were then briefly instructed about the rules and regulations to follow during this rally.

Image : volunteers walking for rally

Holding aloft banners carrying slogans that dissuaded the use of plastic in the city, the volunteers reached the college covering the distance of 3kms .

Many slogans were said like “DON’T BE DRASTIC ,SAY NO TO PLASTIC”, “USE PAPER BAG REDUCE PLASTIC BAG”, “DO SOMETHING DRASTIC,CUT THE PLASTIC”, etc.

We were accompanied by the Mumbai police from start till the end of the our rally.All thanks to the Mumbai police for this peaceful rally. It was indeed a very good experience.

Six

Image : Fr. Valerian our director giving pledge with our NSS volunteers.

Thanking the Mumbai police we went to our college were the director of our college Fr.Valerian D'souza and along with 50 volunteers took the pledge to refrain from unnecessary usage of plastic and convinced their family and friends against plastic usage to create environmental responsibility.

Image : group pic of NSS members with director and security head.

Signature

NSS CRCE is grateful of Mumbai police as well as our director and all the volunteers for their support to organize this peaceful and successful rally to make people aware of their responsibility to use cloth bags and change the use and throw culture.

NSS CRCE

REPORT ON HAPPY HOURS STALL

“We only have what we give.”
— Isabel Allende

Date: November 28th, 2019 to November 30th, 2019

Place: Fr. Conceicao Rodrigues College Of Engineering

NSS CRCE organized a workshop “HAPPY HOURS” in collaboration with CEREBRAL PALSY ASSOCIATION OF INDIA(CPAI) in the college premises of Fr. Conceicao Rodrigues College of Engineering, Mumbai.

Signature

Cerebral Palsy Association of India and it's unit Happy Hours Workshop for P.D.A's(People with Different Abilities) was initiated in the Year 1968, by a set of dedicated parents of individuals with special needs. The aim was SERVING COMMUNITY, ENRICHING LIFE. Housed in bright and airy premises with large comfortable classrooms and activity areas, the workshop is student's delight. At CPAI, they welcome people with P.D.A's by providing engagement and helping them to be a part of the integrated social framework, thus giving their parents some free time to focus on their own lives.

Image: Various activities for the physically challenged at the CPAI

In the HAPPY HOURS workshop, the NSS members set up a stall in the college premises for 3 days from 11:00am to 3:00pm. This event was organised to encourage the handicapped children by selling the products they made, and the amount collected was given to the CPAI to help this children. The various products they made were rakhis, bracelets, greeting cards, necklaces and paper bags.

S.S.

Image : NSS Members at the stall selling the products

NSS CRCE is thankful to the CEREBRAL PALSY ASSOCIATION OF INDIA(CPAI) for giving us the opportunity to conduct this workshop in our college premises and help the physically challenged people by selling their product

Image: College staff and students buying the products at the stall.

ASBB FUN RUN (MARATHON) VOLUNTEERING REPORT

DATE: 16th February 2020

ASBB (Association of Social Beyond Boundaries) is a group of enthusiastic, self-driven, change makers who take upon themselves the responsibility of bringing about the change they wish to see. Mr. Sagar Jain founder of Association of Social Beyond Boundaries came up with a vision and mission to form this trust. On the completion of 4 years, ASBB (Association of Social Beyond Boundaries) announced a 4kms Fun Run “RUN BEYOND BOUNDARIES”.

As people of different age groups were participating in this Fun Run Marathon There were high chances of runners getting interrupted or risking their safety on the busy roads of Ville Parle. So to avoid chaotic situations

S.S.

and handle the Marathon peacefully and with ease, Mr. Sagar Jain took an initiative to maintain the chaos along with his team but it was not possible to keep an eye on the entire route for his team.

So this year along with ASBB team, 25 of our volunteers passionately participated in the ASBB FUN RUN Volunteering on 16th Feb 2020 at Swatantrya Veer Savarkar Udyan.

For this marathon we had to plan and promote the marathon in marathon our volunteers were given task I had to coordinate with the founder and organize this marathon.

S. J.

The volunteers reported the site at 5:30am, and were given a briefing about the marathon by Mr. Sagar Jain. The volunteers were divided into groups of 2-3 as per requirement and were assigned respective spots to look upon. All the volunteers were led by an ASBB member to avoid chaotic situations and effective approach. Each and every volunteer had a specific task at a particular period of time. All the volunteers were given their task before the marathon started. The gates and the Registration window were open by 6:30am and the Marathon started around 7:00am. Some of our volunteers were kept at the entrance to acknowledge the participants and to check their chest numbers, while few were at the water counter.

Zumba activity was carried out at 7:00am before starting the marathon, as to ensure that there were no sprains in muscles as enough stretching was done during the Zumba activity by a professional Zumba instructor. The volunteer's jobs included tasks like Traffic management, Ensuring Safety of the Runners, preventing runners from cheating during the marathon by taking a shortcut. After the Marathon was complete runners returned to the Swatanrya Veer Savarkar udyan while the volunteers followed them by clearing the posters, banners and water desks.

After Marathon was complete All the runners and the volunteers were re-energized by RED BULL and also some healthy snack which included fresh juices, sandwiches and fruits. Every participant was awarded 3 certificates and a participation medal wherein volunteers were given certificates as well. The marathon ended with a felicitation program and a vote of thanks.

NSS CRCE is grateful of ASBB for giving our members an opportunity to work and experience live traffic management and willingness to bring a change in the society.

Report on no smoking pledge.

Place : Fr. C.R.C.E

Date : 25th September 2019.

Image : students taking pledge.

S.S.

NSS unit of Fr. Conceicao Rodrigues College of Engineering took this initiative to make all students pledge for no smoking and made posters and slogans to be showcased on corridors.

Pledge which is I xyz promise to not smoke or use any tobacco products now and forever. In addition, I will always try to stay away from secondhand smoke, which is a danger to my health. I will do my best to encourage people who do smoke or use tobacco products, and will do my best to support them as they try to quit.

Although nicotine is addictive, most of the severe health effects of tobacco use comes from other chemicals. Tobacco smoking can lead to lung cancer, chronic bronchitis, and emphysema. It increases the risk of heart disease, which can lead to stroke or heart attack. Smoking has also been linked to other cancers, leukemia, cataracts, Type 2 Diabetes, and pneumonia. All of these risks apply to use of any smoked product, including hookah tobacco. Smokeless tobacco increases the risk of cancer, especially mouth cancers.

We would like to thank our students and staff for supporting.

For this pledge we had to take permission from principal mam and each class teacher for conducting pledge in their class.

NSS CRCE

Report on Mission Blue Seminar.

Date : 8th July 2019.

Place : Fr.C.R.C.E

Image : presentation by united way.

Signature

United way mumbai is a renowned organization which started mission blue project in which awareness about ocean and marine life was given and how we can contribute for well being Most life forms evolved initially in marine habitats. By volume, oceans provide about 90 percent of the living space on the planet. The earliest vertebrates appeared in the form of fish, which live exclusively in water. Some of these evolved into amphibians which spend portions of their lives in water and portions on land. Other fish evolved into land mammals and subsequently returned to the ocean as seals, dolphins or whales. Plant forms such as kelp and algae grow in the water and are the basis for some underwater ecosystems. Plankton forms the general foundation of the ocean food chain, particularly the phytoplankton which are key primary producers.

In this seminar to call and arrange was atask for us where we had to fix a date and proper timing for conducting this seminar We would like to that united way for conducting this seminar and all our nss volunteers.

NSS CRCE

REPORT ON BANDRA FAIR VOLUNTEERING

Date: 08 To 15 September 2019.

Place: Mumbai.

The Mount Mary Church, located in the heart of Bandra is known to have infinite number of visitors each year. The peak number of devotees are expected when the Church organizes a week long Novena to celebrate the birth of Mother Mary in the month of September every year. It generally begins on the second Sunday of the month and goes upto the next Sunday.

Image : Mary of Mount.

As People from all faiths and across India visit the place during this season, there are chances of commotion and other chaotic situations. So to handle the matters smoothly, the Mumbai Police took it to their hands, the responsibility of managing the crowd and traffic.

So, this year along with the Mumbai Police, 45 of our volunteers tirelessly participated in the Bandra fair volunteering cum crowd management for the entire week.

Image : Our volunteers managing crowd.and helping aged

The volunteers were divided into 2 time slots, 8:00am-2:00pm and 2:00pm- 8:00pm based on their respective duties where they performed their assigned tasks effortlessly. Further, they were segregated into assisting the Police into various tasks like managing the crowd, helping them form queues, traffic control management, security checks, guiding pilgrims to exits, fair, restrooms etc. They also guided the senior citizens off their buses to the seats in the church and back. Extra help was given if it was needed (providing them with wheelchairs, canes and other support).

There was a special mass offered for the senior citizens where food packets were to be distributed among the pilgrims. Our volunteers carried out the task smoothly as their unity showed. The volunteers were given daily meals and other refreshments by the Mumbai police throughout the week. Each of the volunteer with 0% Absentee record was allotted with 45 hours of NSS service. All the volunteers were awarded with a certificate with Mumbai Police stamping.

Image : Devotes worshipping Mother of Mount

NSS CRCE is grateful of the Mumbai Police for giving our members an opportunity to work and experience various crowd and traffic control management methods and assisting them throughout this week long journey. Here I had to take permission from police our college and registering names of those who are interested collaborating with mumbai police.

NSS CRCE

REPORT ON SELF DEFENCE WORKSHOP

Date: 6th March, 2020

Place : Mumbai

Image: Welcome speech by the President.

Fr Conceicao Rodrigues College of Engineering conducted self defence workshop organized by the NSS council in college. The event took place at the college auditorium, 1:00 pm onwards. The event started with welcoming the guest by the president of NSS council and the workshop started with instructor showing several videos and explaining the importance of self defence.

After watching several videos, the actual workshop started with giving them hand on experience of the defence techniques. The instructor explained about the basics of self defence and when to use them.

Image: Demonstration of the self defence techniques

The event was successful with active participation of students as well as faculty members inclusive of the other staff. This workshop was a 4 hour workshop which included basic self defence techniques. Personal attention was given to all the participants and it was made sure that everyone was well versed in the taught techniques.

All the participants were made to practise the techniques with other participant. After the practical workshop all the participants were asked to give their feedback. The feedback of students was positive and looking for similar workshop in future. The event concluded with felicitation ceremony and followed by thank you speech by the President.

Image: felicitation ceremony

In a society where crime has risen to a shocking extent, the ability to protect ourselves from undesirable situations has become a necessity. Self-defence is of the utmost importance in the kind of the world we live in today. NSS CRCE looks forward to help people get educated with such informative workshops.

NSS SPECIAL CAMP

TANDULWADI

INTRODUCTION

Every year a special NSS camp of 7 days takes place where all the volunteer of NSS CRCE actively take part in understanding the village problems solving them and spreading awareness and educating people. This year the camp took place at beautiful and enchanting village called tandulwadi which is located few kilometre away from saphale city which lies in palghar district, Maharashtra. The village is surrounded by mountains and farms with greenery everywhere being there is like a gift for the eyes. The village is full of friendly and helpful people who helped us through out the camp. There were lot of pre- camp activities to be done for all the activities we were going to do at the camp and our main project which was painting the school walls; hence, all the members were divided into groups and given tasks accordingly.

Image: Tandulwadi village, Saphale

Day 1: Sarpanch visit

15th December 2019

The first day of NSS special camp started on 15th December 2019 where everyone was told to report at saphale station by 9.00 A.M and then further we started our journey to tandulwadi village and reached there by 10.30 A.M . The sarpanch of the village welcomed us, after everyone settled we interacted with sarpanch and he told us about various problem faced by the village. Then at the end everyone gathered and discussed for a solution for the problems faced by villagers, we also discussed and planned for the next day activity which was sports day and made groups of people and divided all the responsibilities for the sports day activity among the groups.

Image: Volunteers interacting with sarpanch of the village

Day 2: Sports Day

16th December 2019

On the second day all the volunteers headed towards the school with enthusiasm and excitement for the sports day activity. We first met the principle of the school and discussed how we were going to conduct the activities. Then everyone interacted with the children of the school and they were full of energy and were eagerly waiting for us to start the activity. There were various activities conducted simultaneously and we saw to it that everyone would get a chance to participate in all activities. We conducted activities such as hopping, running, sakli, football,ect. For the nursery kids we kept a drawing competition in which all the material was provided by us. Then at the end we distributed prizes to all the winners. At the end of the day all volunteers gathered and discussed about school wall painting which is our main project starting

tomorrow.

Image: Prize distribution to all the winners

Day 3: School Wall Painting

17th December 2019

The third day was an important day as we were starting our main project which is the school wall painting. First sanding of the walls was done where all the volunteers were given sand papers and sanding of the walls to be painted was done. Then after sanding we had to apply base paint on the walls and fill holes on the walls with cement; hence, all the walls to be painted and the holes to be cemented were divided among all the volunteers and everyone showed a great team spirit leading to completion of the painting and cementing. Now we had to wait for the next day for the paint to dry so that we could draw cartoons and paint them making the walls fun and something the children would love.

Image: Volunteer painting the school wall

Day 4: School Mentoring and Wall Painting

18th December 2019

On the fourth day we donated two computers to the school and also had to complete the remaining drawings on the wall. Some volunteers helped the children set up the computer and taught them all the basics of operating the computer, they also taught them paint and all the parts of the computer, while the other volunteers were drawing cartoons on the wall and painting them. Our project of school wall painting was completed by the end of the day.

Image:School Mentoring

Image:Volunteers drawing and painting cartoons on wall

Day 5: Survey

19th December 2019

On the fifth day all the volunteers according to their group went to the village and took a survey of the village. We took surveys to know about their work, income, education, living, total family members in the house and what do they do, etc. We also asked them how the government is helping them and what problems they are facing and if they are getting any help with their problems. The motive of the survey was to know and understand their problems so that next year when we go we can do some development and help them with it.

Image: Volunteers taking survey

Day 6: Trekking

20th December 2019

On the sixth day of NSS Camp we were all set to go for trekking to explore the nature. We went for trekking on Tandulwadi fort which is a famous trekking spot, where many people come from different places to explore the beauty that lies in Tandulwadi. We started our trekking in the morning by 6:00 A.M and came back in the afternoon by 3:00 P.M. Everyone was super excited as trekking was everyone's favourite adventure sport. The fort was build 800 years ago and it was primarily used as a watch tower over surroundings plain. The village Tandulwadi was beautiful but we came to know about its real beauty when we saw it from the fort its was marvellous.

Image: Trekking at Tandulwadi Fort

Day 7: Awareness and Tree Plantation

21st December 2019

On the 7th day the final day of the camp, we called doctors from the Chaitanya foundation who educated young girls about menstrual hygiene and puberty. After the awareness seminar was over with the help of school students we planted some saplings so that they should have value of plants and learn to protect our ecosystem. The students took active part in planting the saplings and promised to take good care of them until they are all well grown.

REPORT OF ROTARACT CLUB OF FRCRCE

(2019-20)

The Rotaract Club of CRCE has been affiliated with the Rotary Club of Bombay Bandra, which has recognized the efforts that the Rotaract Club of Fr. CRCE has put in order to make a difference to society. This year Rotaract Club of Fr. Agnel College (Bandra West) is affiliated to Father Agnel Ashram and NGO called Bigger Than Life. Bigger than Life (BTL) is an NGO who reaches out to the underprivileged children and their families who stay in the slums of Bandstand. This club organizes many events in odd and even semester like donation drive, Cleanliness Drive, Marathon, trek, and many more to help and to raise the fund for charity. It also creates awareness of education for underprivileged women and children through Marathon and other events. This club has donated Rs. 15k to Father Agnel Ashram and 15 K to BTL NGO.

Donation Drive

TEDxCRCE with **NSS CRCE** and **Rotaract Club of Fr.CRCE** collaborated with **NGO CHAITANYA** to organize a food distribution drive for the people of Maharashtra.

Due to continuous rains for several days, some parts of Maharashtra were heavily flooded. This calamity had caused an immeasurable devastation and a drastic effect on people's lives. We organized a distribution drive in our college and urged the students to donate items like toiletries, clothes, food items and other essentials which help those in need.

Students came forward and willingly donated many items, the list of which has been attached. The items were sent to the Chaitanya foundation by NSS CRCE who then made sure that they reach the affected people.

Duration: 14th August to 23rd August

Place where boxes were kept: 1st, 3rd, 5th and 7th floors of our college.

Pawfect

TEDxCRCE had organized **Pawfect**, an NGO session collaborating with a non-profit trust, The Welfare Of Stray Dogs for our community member.

The Welfare of Stray Dogs (WSD) is a non-profit trust which aims at helping street dogs by reducing street dog population by means of adoption and educating society about rabies prevention and other related street dog issues. WSD has impacted the lives of 1.5L street dogs through CV sterilization, vaccination, healthcare and adoption. All the dogs are vaccinated and safe to be around.

Activities like walking, feeding, bathing the dogs took place under the supervision of the volunteers of the NGO.

- We had a maximum CAP of 36 entries for 3 sessions in total.
- Date : 21st September 2019 (Saturday)
- Time slots : 10am - 11am, 11am - 12pm, 12pm - 1pm
- Location : The Welfare of Stray Dogs, Adarsh Nagar, Lower Parel, Mumbai.

Attendance: 40 people

Agnel Ashram

TEDxCRCE had organized a character building session with the children of the Agnel Ashram for our community members.

We conducted a session on Tuesday 24th September, 2019 on 'Gender Equality'. It was a great experience for us to teach the children and see them work so hard inspite of their underprivileged background and unavoidable circumstances. The children of the Ashram learned a lot about gender equality. By teaching them about something different, we raised awareness about Gender Equality among the children of the Agnel Ashram.

The Council Members of TEDxCRCE also had a fun session on 16th September 2019 before the character building session with the kids of the Ashram. They played fun games and did an interactive session to get to know the kids.

The sessions took place in college itself in the Ashram building.

Timing - 4pm.

Day - Tuesday (24/09/19).

Attendance - 21 people

Roti Bank

TEDxCRCE had organized A Food Distribution Drive with the help of Roti Bank Association exclusively for our community members on 28th and 29th of September, 2019.

Roti bank was set up in order to solve the problems of food wastage in Mumbai. It's food distribution drive aims at redistributing the surplus amounts of food collected from various hotels, weddings and other events to feed the underprivileged and to those in need.

TEDxCRCE takes immense pride in providing this golden opportunity to our Community Members to fight against hunger together.

Date : 22/09/19 (Sunday), 28/09/19 (Saturday), 29/09/19 (Sunday) & 5/09/19.

Time : 4:30 p.m.

Location : Opposite Haffkinn Institute, Lower Parel (E)

Attendance : 24 people

The drive commenced at 4:30pm and was successfully completed in an hour. The members helped the poor and deprived people with distributing food to each and every person.

Roti Bank Tata Marathon drive

TEDxCRCE had organized A Food Distribution Drive with the help of Roti Bank Association exclusively for our community members.

Date : 19/1/2020 (Sunday)

Time : 1.30p

Location : Azad Maidan, Churchgate.

Attendance : 61

Roti bank collaborated with Tata Mumbai Marathon to distribute the surplus food items from thTata Mumbai Marathon that happened on the same day and distribute it to the ones in needy. The TEDxCRCE council and community members helped Roti Bank in loading and unloading of the items and to provide them to the needy.

Students participated in large numbers and worked very hard for such a noble cause. It started on time and everything wrapped up in two hours.

Name of the event: Idea Competition.

Date of the event: 30/01/2020

Number of teams participated: 17

Venue of the competition: 803 lab

The Entrepreneurship Cell-CRCE(E-CELL CRCE) and Institution's Innovation Council (IIC- CRCE) astonished as per MHRD, Govt. Of India Guidelines , jointly collaborated for 2nd 'The Idea Competition', an intercollegiate inter disciplinary event. Idea competition is a platform for students to present their novel and market feasible ideas and sets their path towards entrepreneurship.

A team comprising of maximum 4 members submitted their idea(s) as proposal to us. These proposals should belong to one of the themes mentioned for the year. The proposals undergo two level shortlisting, first level by internal evaluators and second level by panel judges on the day of event. Ideas are shortlisted for final presentation on the basis on novelty, technologies used, technical and financial feasibility and market survey.

Themes for the year:

1. Health Care
2. Agriculture & Rural Development
3. Energy
4. Environment
5. Others

This years event saw participation of 17 teams from various colleges across Mumbai region. The ideas were judged by three esteemed judges, Mr..Mustafa Fatakdawala, Data Scientist, Associate Consultant from Tata Consultancy Services (TCS), Prof. Dileep Chandra, IIC Convener,, Fr. CRCE and Prof.. Hitendra Vaishnav, Startup Coordinator IIC, FR. CRCE .All teams pitched up with good innovative ideas. The team with maximum points was declared as a winner of the competition.

First Prize Winner: Idea: "IOT based solar powered smart bag for women's safety along with air purification system".

College Name: FR. Conceicao Rodrigues College of Engineering

Second Prize: Idea : "leARn" : Augmented Reality based software application for education sector.

College Name: Vivekanand Education Society's Institute of Technology(VESIT),

REPORT OF ROTARACT CLUB OF FRCRCE

(2018-19)

The Rotaract Club of CRCE has been affiliated with the Rotary Club of Bombay Bandra, which has recognized the efforts that the Rotaract Club of Fr. CRCE has put in order to make a difference to the society. The Rotaract Club of Fr. agnel College (Bandra West) is affiliated to an NGO called Bigger Than Life. Bigger Than Life (BTL) is an NGO who reaches out to the underprivileged children and their families who stay in the slums of Bandstand.

Following are list of events in odd and even semester with its details.

ODD semester events

- **Green Hands Project**
- **NGO Sessions**
- **SYNERGY FEST EVENTS- Foot Pool , Amazing Race**
- **MICDROP**

Even semester events

- **Paws For A Cause**
- **HEART AND SOLE RUN 2.0**
- **Come Together**

Green Hands Project

Date: 28th July, 2018

Venue: Bigger Than Life NGO, Santacruz

Description:

Project Green Hands was undertaken by the Rotaract Club of Fr. CRCE and supported by the Rotary Club of Bombay Bandra. This tree plantation drive was conducted at NGO Bigger Than Life, Santacruz. The children of the NGO actively participated in this drive and they were briefed about the importance of tree plantation.

NGO Sessions

The Rotaract Club of Fr. CRCE conducted Three Projects with the NGO Bigger Than Life. The name of the projects were:-

1. **Awaaz**:- Project Awaaz was conducted in the month of August at the Santacruz branch of the NGO Bigger Than Life. Following things were covered in this project

- Non Violence
- Gender equality
- Self Defense
- Good Touch Bad Touch

2. **The You Project** :- The You Project was conducted in the month of September with the kids of the NGO. This project was our attempt to make the kids self sufficient and inculcate good values in them. This project covered

- basics to first aid
- Facts
- Self appreciation
- values and morals

3. **We Are The World**:- We are the world was the final project for the year and was conducted in the month of January. This particular project was focused to enhance the creativity and observation power of the children. We are the world covered

- Take flight with the kite
- Sea's the day
- DIY: Paper Bag
- Plants and endangered species

Paws For A Cause

Date: 9th February, 2019

Venue: The Welfare of Stray Dogs, Lower Parel

Footfall: 3 batches of 10 people each

Timing: 10am-1pm

Description:

Paws for a Cause was Rotaract's Initiative for creating awareness about animal welfare, while also having a chill session- playing with dogs. 3 batches of 10 were made, and the batches were headed by two Club members. Each batch had a session of 1 hour each. The volunteers were given tasks like feeding, bathing, brushing the fur, and walking the dogs. The supervisors at the organisation were giving helpful tips and information about animal care.

Mumbai Roti Bank for Tata Mumbai Marathon

TEDxCRCE collaborated with **Mumbai Roti Bank**, a non-profit, food rescue organisation that bridges the gap between hunger and excess food on January 20, 2019 to distribute all the food that was left over from the 45,000 meal packets that were served to the participants of one of the most awaited marathons – The Mumbai Marathon.

A total of 26 **TEDxCRCE** volunteers helped to distribute these meal packets among the beneficiaries across South Mumbai. Two batches of 13 volunteers each distributed about 10,000+ meals at **Shree Manav Seva Sangh, Sion** and **Dongri Children's Home, Dongri**.

The efforts of our volunteers were greatly appreciated. We were featured on various platforms. Tata Mumbai Marathon official page tagged Roti Bank for our efforts. Mirror Now covered the entire event. The volunteers were awarded with certificates by Mumbai Roti Bank for their efforts.

We hope to contribute in more such community events aimed at serving for the society.

Ratna Nidhi Charitable Trust Book Sorting

TEDxCRCE organised a book sorting session on February 23, 2019 at **Ratna Nidhi Charitable Trust, Grant Road (E)**. **Ratna Nidhi is proud to partner and lead with Alibaba Group's Mission Million Books**. The project seeks to distribute 1 million educational books Free of Cost to 10,000 educational institutions in India.

The project aims at educating young India by cultivating reading habits among children and provides access to quality reading material.

During the session, our volunteers sorted around 4000+ books according to their categories which included Engineering, Medical, Entrance Exams, Stories & Novels etc. 7 volunteers from TEDxCRCE were part of this drive. The books that were sorted are used by underprivileged children across Mumbai for their better future. With this drive, TEDxCRCE continues to serve the society.

Aditya Jyot Foundation Guinness World Record

On January 26, 2019 TEDxCRCE participated in an event organised by Aditya Jyot Foundation at Dharavi that was a **Guinness World Record attempt for most diabetic eye screenings in 8 hours**. Our volunteers helped the organising committee for crowd management, at the registration desk and distributing food packets. A total of 30 volunteers were a part of this successful attempt. Through this attempt many people from poorer background with diabetes were able to receive a screening and check-up. With this event, TEDxCRCE continues to contribute towards the welfare of the society.

TEDx - Incharge

Rakhi and Handmade Item sale

The event was organised on 24th August 2018, in the view of the coming RakshaBandhan Festival. Rakhi and other handmade items such as cloth bags, jute bags, paper cards, envelopes, etc. were made by children with cerebral palsy in the Happy Hours NGO which were sold in Fr.CRCE by NSS. The event was started around 10.30 am and finished around 4pm

For the occasion of RakshaBandhan, our NSS Unit assisted Happy Hours Workshop, an organization for special children based in Bandra West, to sell Hand Made Rakhis and bags in the college premises, in order to support the children with special needs and enabling them to show their skills

The Rakhis and the bags were displayed at the college entrance, and a stall was set up since 10:30 am. These rakhis had been made using wool, stones, strings, and paper, among others. The bags were made of paper and cloths promoting recycling. Also, there were envelopes and anklets being sold.

Volunteers also learned a lot about children with special needs as they interacted with the representative from Happy Hours Workshop.

Anti Plastic Rally

About 51 National Service Scheme (NSS) volunteers of Fr. Conceicao Rodrigues College of Engineering took out a rally here on Monday to highlight the pollution caused by non biogradabale plastic products.

The rally was aimed at educating the residents, road users and commercial establishments in Bandra west, Mumbai about the hazards of plastic waste, The students stressed the need for switching to cloth bags instead of plastic bags. They urged the people not to dump waste in public places and reduce their uses to reduce the non degradable waste

After the Rally , the students leded by Principal Dr.SrijaUnnikrishnanpledged to avoid the usage of plastic in the campus and also in their day to day lives

Bandra Fair Crowd Management Volunteering

Bandra Fair is a week-long fair held annually in the Bandra suburb of Mumbai, India. It starts on the Sunday following 8 September, the Feast of the Nativity of Mary, mother of Jesus, at the Mount Mary Church, Bandra. The Bandra Fair is estimated to be around 300 years old. The fair started when a statue of Mother Mary was found floating in the Arabian Sea between 1700 and 1760, which, according to a legend, a Koli fisherman had dreamt about a few years earlier.

Thousands of people throng to the fair and immense manpower of Bandra police is utilised in providing security and maintaining orderliness at the fair. Hence the students of Fr. Conceicao Rodrigues College lend a helping hand every year to the police, helping in organising the same. This year around 78 students participated in the volunteering at the fair. The Mumbai police applauded the effort taken by the students through the fair and thanked them for their assistance in organising the same.

Blood Donation

This year our college NSS unit had organized a BLOOD DONATION camp in our college campus on 19th September in collaboration with Holy Family Hospital, Bandra(west).

All the NSS volunteers were assigned time slots according to their classes for volunteering.

The blood donation drive was held from 9:00am to 5:00pm in Strengh of Material Lab. Active participation was seen right from the first hour of the blood donation drive.

By the end of the blood donation drive, a total of 52 successful donors were listed. The total participation for the blood donation drive was around 100. Rest were rejected because of several reasons like weight below the minimum level, Haemoglobin less than the required range, surgeries within a time span of 6 months, regular cold, cough etc.

By this one more successful event came to an end. It was the dedication of the NSS council members and the donors because of whom this drive was a huge success and we hope that everything what was donated be able to use at the right time, perhaps to save someone's life.

Fire safety Awareness Seminar

A Fire safety session was organised on 25th September 2018 which included first an interactive classroom session and later a live demonstration on how to use the fire extinguishers was provided on 28th September 2018. For the session we got a good response with around 52 students participating and they too were interactively asking many questions about the same

Tree Plantation Drive

On 20th October 2018, Fr. Conceicao Rodrigues College Of Engineering successfully completed the event of Tree Plantation under the National Service Scheme. The drive took place at the university and around 10 fruit bearing sapling were planted in the campus with the idea of generating a food forest for the same. Trees are the foremost source for producing the oxygen in environment, they helps to reduce the level of CO₂. As we all know that the whole world is facing the problem of global warming and to recover from such problem planting the trees is become one of the most important aspects today.

NSS CRCE took the initiative to contribute to a **Greener and Healthier Mumbai** through its Tree Plantation drive. A total of **78 NSS members** participated in the drive. Event Heads from NSS CRCE Alden D'souza and LeniRodricks, lead the drive. The tree plantation drive was inaugurated by our Prof. HitendraBaboodasVaishnav, thereafter it was taken up by the volunteers for the rest of the saplings.

Walk for freedom

Walk For Freedom is a global fundraising and awareness event. Rallying thousands of abolitionists, taking millions of steps, showing up in hundreds of cities all over the world, **Walk For Freedom** is an outward expression of our inward desire to see slavery completely abolished.

Walk for freedom was organised on 20th October 2019. 25 students from Fr. Conceicao Rodrigues college of Engineering participated in the same. The student felt proud during the walk as they were standing for such a noble cause. The walk started around 8 am and finished around 9 am.

Beach Clean up Drives

Location : Vasai

NSS CRCE conducted campus cleaning programme on 13th October 2019 at Suruchi Beach , Vasai.

NSS Members equipped themselves with rakes, brooms and large trash bags – ready to pitch in for Beach Cleanup Drive. Students divided into several groups, eager to begin. Some headed for the Trees area to clean up while others set about raking and gathering up plastics, branches, leaves and debris on the beach.

The end ended at 11:00am. This event was a fun and memorable experience for everyone.

Location :Mahim

On 23rd February 2019, The Hindustan Unilever and United Way held the "Clean My Mumbai" Campaign at Mahim Beach (the gathering point). The members of NSS CRCE, actively participated in the campaign. Everyone involved in the campaign gathered around 8:00 am at the gathering point. The volunteers of United Way gave instructions to all the present members and also enlightened them about the need of cleanliness in our city. The organizers provided each and every volunteer with face masks, gloves, brooms and caps to facilitate our work. All the members were divided into groups. Each assembled groups were allotted an area to be clean. We set off to clean the beach by 9:00am sharp. NSS Volunteers, whole heartedly cleaned the streets of Hill Road along with students from different schools who participated with in the campaign. The event was called off by 11:00 am. By the end of this applaud able initiative by The Hindustan Unilever, the beach was cleared of the plastic improving the beauty of the area . All the members were provided with refreshments and granted leave.

Run for the ocean

Adidas is working with Parley to prevent plastic from entering the oceans and transform it into high-performance sportswear. Based on the brands' love of sport and responsibility, adidas and Parley for the Oceans announced the return of 'Run for The Oceans', a global running movement that uses the power of sports to raise awareness for the threat of marine plastic pollution. Around 53 students from the college took actively part in the initiative and helped raising awareness on the issue of marine pollution. The event took place on 16th June 2018.

CPR Seminar and Workshop

Cardiopulmonary resuscitation (CPR) is an emergency procedure that combines chest compressions often with artificial ventilation in an effort to manually preserve intact brain function until further measures are taken to restore spontaneous blood circulation and breathing in a person who is in cardiac arrest. It is recommended in those who are unresponsive with no breathing or abnormal breathing, for example, agonal respirations.

Holy Family has started an excellent initiative wherein they provide training on how to conduct the cpr procedure on a person experiencing cardiac arrest. Around 53 students took benefit of this initiative, understanding what is cardiac arrest. Following which how to differentiate between a cardiac arrest and a heart attack. They were given live demonstration on how to perform the cpr procedure on an individual. At the end, a question and answer session was arranged for the students to clarify the doubts.

Seminar :Upliftment of weaker sections Through Reservation

An talk was organised by the Mumbai university on Upliftment of weaker sections Through Reservation at Andrews college ,Bandra on 12th February 2019. The speaker for the session was Padma ShriMr.ChamanLal.

In the seminar, the students were enlightened about the troubles faced by the weaker section of the society. He had an interactive session with the student understanding their impression of the same section of the society. Then he cleared many misconceptions and explained how reservation helps the weaker section of the society and bring them a chance to being on par with others

Book Donation Drive

Nss Volunteers of Fr. Conceicao Rodrigues College of Engineering, organised an book donation drive with the Children of Fr. Agnel Ashram on 21st February 2019. The students understanding the importance of education arranged the drive and also had a book reading session with the same. The children of the ashram were very happy to see the engineering college students taking time off their busy schedule for the same and interactively took part in the reading sessions.

Hepatitis Awareness Seminar

In collaboration with United Way, Mumbai an awareness session was arranged for the students on 25th February 2019, in which 78 students participated. The speakers gave the students basic information on the topic and informed them about how they can avoid the same.

Hepatitis means inflammation of the liver. The liver is a vital organ that processes nutrients, filters the blood, and fights infections. When the liver is inflamed or damaged, its function can be affected. Heavy alcohol use, toxins, some medications, and certain medical conditions can cause hepatitis. However, hepatitis is often caused by a virus. In the India, the most common types of viral hepatitis are hepatitis A, hepatitis B, and hepatitis C.

REPORT OF ROTARACT CLUB OF FRCRCE

(2017-18)

The Rotaract Club of CRCE has been affiliated with the Rotary Club of Bombay Bandra, which has recognized the efforts that the Rotaract Club of Fr. CRCE has put in order to make a difference to the society. The Rotaract Club of Fr. agnel College (Bandra West) is affiliated to an NGO called Bigger Than Life. Bigger Than Life (BTL) is an NGO who reaches out to the underprivileged children and their families who stay in the slums of Bandstand.

Following are list of events in odd and even semester with its details.

Odd Semester Events

1) Footpool :

Footpool was the first event organised by The Rotaract Club of Fr.CRCE 2017-18. It took place on the day of Synergy, 24 August at the Gymkhana at the 6th floor from 11am to 2pm. Footpool was a one participant, time and skill based event where each participant had to pot footballs in an arrangement made similar to the pool table.

2)Amazing race :

The Amazing Race was the second event organised by The Rotaract Club of Fr.CRCE 2017-18. It took place on the day of Synergy, 24 August around 4pm, outside our college premises, around Bandra west. The Amazing Race was a team based, treasure hunt, where teams of 3 (max 4) had to put their minds to test and look for clues, with the first clue being given at the college Basketball court, from where the race essentially began. The event lasted for two hours and the last clue led the teams back to the college.

3) Donation Week

- First week of August

- A week of college students donating something for charity in boxes placed around college

4) Trek

The footslog i.e. the annual trek is an initiative taken by the Rotaract club of FR.CRCE to build companionship amongst the students of various BE courses. It was a trek amidst nature that the Prabalmachi Fort had to offer. It was a one day trek and the guarantee of their safety was taken by the Rotaract council. This trek was scheduled on the 24th of September.

Even Semester Events

1) Cleanliness Drive

The Clean Up Drive was an initiative taken up by the Rotaract Club of Fr.CRCE so as to promote awareness of the environment. The event took place on the **21st of January, 2018 (free of charge) at the Mahim beach opposite Hinduja Hospital** with a footfall of about 40 volunteers from college. All the garbage the volunteers collected was safely deposited and taken care of by the BMC

2) Installation Ceremony

The Rotaract Club of CRCE has been affiliated with the Rotary Club of Bombay Bandra, which has recognized the efforts that the Rotaract Club of Fr. CRCE has put in order to make a difference to the society. The Rotary Club of Bombay, Bandra wished to honour the Rotaract Club of Fr. CRCE and officially install the team of Rotaractors. This event witnessed the presence of the President of the Rotary Club of Bombay Bandra and other dignitaries. This event took place on the **17th of February, 2018.**

3) Marathon

The Heart and Sole run was an initiative taken up by the Rotaract club of Fr.CRCE so as to gather the zealous youth of the city to run for a cause. The run was organised in association with the NGO bigger than life who work for the betterment of the underprivileged slum children at bandstand. Participants could choose between **3 distances namely 12km, 6km, and 1.5km.** Taking place on the **4th of March 2018,** the runs would begin at the foot of Fr. Agnells Ashram at bandstand and would span almost the whole of Bandra West and return back to the starting point for the finish line.

4) Come Together

Come Together was the final event of the academic year 2017-2018, organized by The Rotaract Club of Fr. CRCE. This event was conducted to celebrate the journey of The Rotaract Club of Fr. CRCE throughout the year. It took place on **22nd March, 2018 from 5:00pm - 8:30pm** in SAMVAAD. It was an open event that was also used as a platform to create an awareness about Bigger Than Life and to showcase various talents of the wonderful children of the above mentioned NGO. Along with this, the event witnessed 5 motivational speakers from different walks of life, who shared their life stories and inspired the children and the audience.

TEDxCRCE Report 2017-18

On the 14th of October 2017, TEDxCRCE hosted its Third year of TEDx Talks at Fr. Conceicao Rodrigues College of Engineering. Our theme for the event was, "Illogically Logical" encompassing those powerful ideas that we can implement in our lives today so as to positively impact our near future. This year, the event saw 11 dynamic and effective speakers from all walks of life sharing the stage with a single mission of "Ideas Worth Spreading".

The admirable personalities include Mrs. Raveena Tandon, Actress Bollywood, she is one of the chosen few national award recipients for her work in the field of cinema. Mr Siddharth Randheria, Actor, Gujarati theatre and cinema, is one of the community's most beloved idol. Mr. Prabhir Jha, CPO, Cipla. Mr. Prabhir is also one of the few LinkedIn Power profiles for the year 2017-18. Mrs. Kavita Seth, a singer having multiple record breaking music numbers to her name. Mr Mark Manuel, Editor and Journalist, Times Of India Group, has spent over 3 decades into this industry starting off as a crime reporter to now fulltime Bollywood news and updates. Mr. Gaurav Kotian, Glass harp performer, he is the youngest individual and the first to master the art of glass harp in India. Mr. Mandar Jamsandekar, Economist and Trade analysis expert. Mr Prashant warrier, CEO, Quire.ai. Mr Prashant aims at innovating AI tools and machines to read and understand X-Rays and scans. Mr. Gopal Hegde, President, Versova welfare association, aims for a Hunger free India. Mr. Rajat Mitra, a clinical Phycologist and rape analyser. Dr. Satyanarayana, Scientist and Coral Taxonomist, at ZSI has revived corals extinct thousands of years ago. The event culminated in a major success with many online and print news articles having a total viewership of more than a One and a half million views on YouTube and the TEDx website till date. We are surely and steadily reaching our milestone of 2 million views very soon.

On the 10th of March 2018, TEDxCRCE is set to organise the biggest version of its very own "Internship & Career Expo" hosting multiple companies at our college campus. Unlike over the years, TEDxCRCE is ready and set to host 5 colleges including the likes of TSEC, CRIT(Vashi) and many others, with an expected lot of over 2,000+ students will be attending the event to add a technical or a non-technical internship on their resume. Having seen a fantabulous response from companies and an equally resounding feedback from the students over the years, we believe The Internship & Career Expo slotted on the 10th of March, 2018 is going to set a bar high for all other events organised in college at an inter collegiate level.

On the 10th of September 2017, we organised the first of its-kind "Police volunteering" drive participated by more than 60 individuals. This drive is noteworthy since it is only the first time, when the students of CRCE, worked selflessly and with full intent for One Long week with the Mumbai Police Dept. under the sound guidance of Susie Napier, Commissioner, Student Activities. The Mount Mary Festival is one of the most looked upon fairs in Mumbai. Multiple Newspapers have covered our drive over the week. The students received valuable certificates from the hands of the Asst. Commissioner of Mumbai Police, right on campus, TEDxCRCE was honoured to have him on campus to distribute the certificates.

Believing in the spirit of "Service Above Self", The second year of 'TEDxCRCE Community Club' for the students of our college saw new opportunities and better volunteering services. Apart from the police volunteering drive, they had the opportunity to work for Ratna Nidhi Trust, an NGO, listed by the government of India, funded by Alibaba.com, Sharad Pawar Trust, EFA Reliance Foundation. The students split in sessions helped sorting books donated from donors all around the globe. The students managed to sort more than over 1,500 Books in each session. These books are then sent to Libraries of Schools run by the government in the interior parts of Maharashtra.

We would like to express our sincere gratitude to our Director Fr. Valerian D'souza, Principal Dr. Srija Unnikrishnan, the college management, our Teacher-in-charge Prof. Anusha Jayasimhan, Prof Prachi Patil, our faculty members and the student community for their unstinted, consistent support and encouragement in all our endeavours. Going forward, we at TEDxCRCE will endeavour to achieve a fresh new outlook for our projects and will raise the bar further in creating more powerful, professional and energetic community centric events.

Beach clean up drive

From : PO. SaurabhKorgaonkar

On **15th July, 2017**, Fr. Conceicao Rodrigues College Of Engineering were successful in giving the **Juhu Beach** a new look under the **National Service Scheme(NSS)**. The event took place from 8:30am to 10:30am. All volunteers gathered up at Chowpatty beach at 8:30am.

To give a small boost the **"Swachha Bharat Abhiyaan"**, NSS-CRCE planned their first activity of the year as a beach cleanup activity at Juhu Beach. A lot of our concerned students turned up to give a helping hand in this noble cause. We helped the BMC by collecting 7 bags of 10kg waste. Volunteers were provided with masks and hand gloves. They started cleaning up all the waste materials including broken murti pieces, flowers, plastic covers etc. which were left at the beach. The waste mostly contained plastic which does not decompose easily and causes harm to the marine life.

A total of **26 members** attended the Beach Cleanup drive (including **15 girls and 11 boys**). The BMC were more than happy, that we extended help to them. At the end, the BMC as well as the students felt great pride in seeing the beach all clean. This created a sense of responsibility amongst them for the balance of environment.

Report On Tree Plantation 2017

From : PO. SaurabhKorgaonkar

On 22nd July, 2017, Fr. Conceicao Rodrigues College Of Engineering successfully completed the event of Tree Plantation under the National Service Scheme. Trees are the foremost source for producing the oxygen in environment, they helps to reduce the level of CO₂. As we all know that the whole world is facing the problem of global warming and to recover from such problem planting the trees is become one of the most important aspects today.

NSS CRCE took the initiative to contribute to a **Greener and Healthier Mumbai** through its Tree Plantation drive. A total of **35 NSS members** participated in the drive. Event Heads from NSS CRCE RusselRodricks and Vanessa Rodricks, lead the drive. The tree plantation drive was inaugurated by our Prof. HitendraBaboodasVaishnav, thereafter it was taken up by the volunteers for the rest of the saplings.

A total of **32 saplings** were planted in EvershineCity, Vasai (E). They consisted of robust plants of two varieties, apt for roadsides and were planted alternatively. The BMC supplied the required plants. The plantation began at 1:00 pm and took approximately 2 hours to complete. A sense of satisfaction flared on each one's face in giving back to the nature. NSS is thankful to Prof. Hitendra all the members for their valuable contribution in this drive.

Volunteers all set for the Plantation Drive

Happy Hours Stalls for Friendship day and RakshaBandhan

From : PO. SaurabhKorgaonkar

On 4th August, 2017, Fr. Conceicao Rodrigues College Of Engineering set up stalls on behalf of Happy Hours, Santacruz on the event of Friendship Day and RakshaBandhan. Happy hours workshop is a **centre for multiple handicapped** people. **Happy Hours Workshop** which is an unique project of **Cerebral Palsy Association of India** which is a 40+ year old NGO which dedicates its efforts towards providing optimal care and seek rehabilitation of individuals afflicted with Cerebral Palsy, Mental handicap or persons with similar neurological disabilities. It sells **handicrafts** such as keychains, paperbags, bracelets etc.

The NSS unit of CRCE felt great joy in assisting this workshop to sell Rakhis, Friendship bands and other handicrafts on the special occasion of RakshaBandhan and Friendship Day. The Rakshabandhan stall was put up at the entrance of the college from **9:45 am to 4:00 pm**. The **response** that we got from the crowd was **incompassable**. A lot of people came in to show their support by buying these special rakhis. At the end of the event, teachers also came in to encourage, motivate and support us. Large number of NSS members volunteered for the event.

Total participants - 22 (Male - 8 , Female - 14)

Report On Stem Cell Donation Drive 2017

From : PO. SaurabhKorgaonkar

On 9th September, 2017, Fr. Conceicao Rodrigues College Of Engineering successfully completed the event of Stem Cell Donation under the National Service Scheme. The **Stem Cell Donation Drive** had the objective of collecting very small amount of blood samples and provided a match is found donor will be called for donating blood to needy cancer patients to cure cancer.

NSS CRCE took the initiative to contribute by providing as many as blood samples to the drive. A twohopping**226** registrations were done in the drive. Event Heads from NSS CRCE RusselRodricks and Vanessa Rodricks, lead the drive. The Blood Donation Drive was conducted by **Tata Memorial Hospital, Parel** and it was taken up by the volunteers to help donors and the team from the hospital to manage the same.

The event was held from 10 am-4:30 pm .The hospital team was 3 Doctors including **Dr. Praveen Clement** with 8 trainees. The volunteers were allotted 1 hour batch wise for doing the needful for the event.**57 volunteers (30 boys and 27 girls)**extended a helping hand in the management of the event in turns.

Report on Fire Safety Measures

From: PO. SaurabhKorgaonkar

On 19th September 2017, Fr.Conceicao Rodrigues College of Engineering successfully completed the event of **Fire Safety Measures** under the National Service Scheme. It is important to know the safety rules. Fire safety is the set of practices intended to reduce the destruction caused by fire. Fire safety measures include those that are intended to prevent ignition of an uncontrolled fire, and those that are used to limit the development and effects of a fire after it **starts**.

NSS CRCE took the initiative to call up the Kamath sir Head of the security department for an awareness meeting among the students of CRCE. Our event head RusselRodricks and Vanessa Rodricks and the entire team of NSS lead it to success.The artificial fire was created to explain the students how to react in real situation. First time the fire was extinguished by the Kamath sir then the students of CRCE practiced how to extinguish the fire. The fire extinguishers were provided by our college management.

The date for the event was

There was a total count of **63 students presented in the event, where 23 boys and 40 girls were** presented. The event took place at the ground side near the Fr. Angel School office. This event started at 10:30 pm and ended at around 12:00 pm, it took around 2 hours to complete the event.

Report On Crowd Management (31st August 2017)

From : PO. SaurabhKorgaonkar

On **31st August, 2017**, Fr. Conceicao Rodrigues College Of Engineering successfully completed the event of **Crowd Management** under the National Service Scheme. The volunteers gathered at the Juhu Police Station where the Police gave them instructions regarding managing the crowd. Thereafter members were allotted places to manage the crowd. They occupied all the bottleneck areas where the probability of the crowd making hindrances to the flow was high.

The members made sure the queue was maintained and all the pedestrians were not facing any issues. All the members worked hard to make it a successful event. A total of **31 volunteers (including 15 girls and 16 boys)** participated in the event. The volunteering began at 3:30pm and got over by 8:30pm. All of them gave their valuable time & worked during peak hours.

Report On "Synergy 2017"

From : PO. SaurabhKorgaonkar

"MUMBAI BEHIND THE SCENES"

On **24th August, 2017**, National Service Scheme(NSS-CRCE) ,on the event of the annual Technical College Festival ,**"Synergy 2017"**organized a photography event called **"Mumbai Behind the Scenes"**.Mumbai Behind the Scenes was a photography event. The participants had to click a picture and edit it to show their version of Mumbai. The photographs had to be based on a social cause such as animal rights, ageism, bullying, child labour, etc. We had numerous participants. We received multiple entries which depicted the social scenarios on a humongous scale.

The competition was very tough. After judicial scrutiny, the faculty selected top 3 entries which potrayed the cause as expected. The winners were

1st Place: SudarshanMadane

2nd Place: Mikhail Pinto

3rd Place: RainzilDabre

The pictures clicked by the participants were amazing.All of them depicted a new and fresh version of Mumbai.

"BLIND VISION DECODED"

On 24th August, 2017, National Service Scheme (NSS-CRCE), on the event of the annual Technical College Festival, "Synergy 2017" organized a demonstrative event called "Blind Vision Decoded". This year NSS-CRCE came up with a new event - "Blind Vision Decoded" - A magic show that revealed the science behind black magic.

This event was a major crowd gatherer, since the magician performed mind boggling tricks. Various demonstrations included how a human is fooled into a "tantrik's" tricks by exaggerating some intelligent use of words. Moreover this event enlightened the masses which will help them stay alert in the future and will prevent them from being cheated by the oculists. A lot of people including students as well as teachers attended the event. The entire team of NSS-CRCE managed the event well. The crowd was very interactive.

Blood Donation 2017

From : PO. SaurabhKorgaonkar

On **28th September, 2017**, Fr. Conceicao Rodrigues College Of Engineering successfully completed the event of Blood Donation under the National Service Scheme. As Blood Donation is a noble cause, filling up the blood banks to avoid any kind of shortage in coming future over **80 donors** donated blood.

NSS CRCE took the initiative to contribute by providing a helping hand by its youth. A total of **100** registrations were done in the drive. Event Heads from NSS CRCE RusselRodricks and Vanessa Rodricks, lead the drive. The Blood Donation Drive was conducted by **Dr. BalabhaiNanavati Hospital with Smt. KapoorbenVasanjiLathia BLOOD BANK** and it was taken up by the volunteers to help donors and the team from the hospital.

The event was held from 10 am-4:30 pm .The hospital team was 7 Doctors with 8 trainees. The staff members from the college also contributed towards blood donation. A total of **60 volunteers(including 37 boys and 23 girls)** helped in the management of the event.

To,
The Principal,
F.S. Conceicao Rodrigues
College of Engg., Bandra

Respected Sir / Madam,

We are enclosing herewith the Certified List of the NSS Volunteers of your College eligible for 10 Marks under 0.229 along with this letter for the year 2017-18.

Kindly acknowledge the receipt of the letter / Documents and follow the following procedure for the enclosed Certified List:-

1. F.Y. & S.Y. Arts / Sci. / Com. /
SE - Production / Electronics / Computer / Info-Tech
one copy for your college examination committee.
2. One complete set of F.Y., S.Y. & T.Y. of Arts / Sci. / Com. /
TE - Production / Electronics / Info-Tech
For your College / NSS Office use.
3. Three copies of T.Y. Class of Arts / Sci. / Com.

are sent to your college for inserting examination seat numbers. Kindly **send two copies of certified list to University NSS Cell after inserting examination seat numbers.**

Do not send any class list directly to the University Examination Department for the award of 10 Marks.

With regards,

Yours Sincerely,

O/C 02/04/2018
