**Summary:**

Had 8 meetings from 1<sup>st</sup> July 2019 till 15<sup>th</sup> April 2020

Had general talk with the students on one-to-one basis. Met the students individually.

**Findings:**

Overall CGPA of students is good. Sweedal had a KT in Physics and SPA which got cleared. So it was recommended her to get clear idea of functions and pointers in C which was a part of SPA which was required for placement. Then It was suggested to step by step write all the programs in data structures course first by understanding the logic and then on the PC without using any help. Keenaj has a good GPA. He is interested in doing internship and Oracle certification. So appropriate guidance is given to him. Jayesh also had KT in Physics which is cleared now and his GPA is gradually increasing. Shubham is also a good student with good GPA and done many NPTEL and online courses on suggestion. Akshaye is also performing good with descent CGPA. Nachiket had a KT in BEE and Physics which are cleared now and is now working towards increasing GPA along with his council work. Sujit is a bright student with 9 CGPA and does online courses to learn advanced technologies. Ethan had a KT in AMII and is now cleared.
